## Safety Instruction Guide

### Introduction

Thank you for choosing the KEY LOCK MASTER LOCK TRIGGER LOCK KEYED DIFFERENTLY. This product is designed to enhance the safety of your firearms by preventing accidental firing. Please read this safety instruction guide carefully to ensure proper use and maintenance of the lock.

### General Safety Guidelines

- Always store firearms in a secure manner when not in use.
- Use the trigger lock as an additional safety measure, but do not rely on it as the sole means of securing your firearm.
- Ensure that the trigger lock is compatible with your firearm before use.
- Regularly inspect the lock for any signs of wear or damage.
- Keep the lock and its keys out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.

### Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching the trigger lock.
- Do not attempt to modify the lock or use it in a manner not specified in this guide.
- Always keep the key in a secure location and ensure that it is readily accessible to authorized users only.
- Be aware that the lock prevents the trigger from being pulled; however, it does not secure the firearm against theft or unauthorized access.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the trigger lock and its key.

#### 2. Attaching the Lock:

- Locate the trigger of the firearm.
- Position the trigger lock over the trigger area.
- Adjust the ratchet mechanism and selfadjusting pins to fit securely around the trigger guard.
- Ensure the lock fits snugly and does not obstruct any other operational parts of the firearm.

#### 3. Locking the Trigger:

- Insert the key into the tumbler cylinder lock.
- Turn the key to engage the locking mechanism.
- Check that the trigger cannot be pulled and that the lock is securely in place.

#### 4. Removing the Lock:

- Insert the key into the tumbler cylinder lock.
- Turn the key to disengage the locking mechanism.
- Carefully remove the trigger lock from the firearm.

## **5. Storage:**

- Store the trigger lock in a dry place when not in use.
- Keep the key in a secure location, separate from the firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the lock in general household waste if it contains hazardous materials.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the KEY LOCK MASTER LOCK TRIGGER LOCK, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

By following these guidelines, you can ensure the safe use of your KEY LOCK MASTER LOCK TRIGGER LOCK. Remember, safety is paramount when handling firearms. Thank you for prioritizing safety with your purchase.
