#26703 Safety Instructions

Introduction

Thank you for choosing the UNCLE MIKE'S NYLON WEB UTILITY SLINGS #26703. This product is designed for durability and comfort, making it an excellent choice for hunting and outdoor activities. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the sling before each use for signs of wear or damage.
- Ensure that the sling is properly adjusted and securely attached to your firearm before use.
- Avoid using the sling in extreme weather conditions that may compromise its integrity.
- Keep the sling away from sharp objects that could cause cuts or abrasions.
- Store the sling in a dry, cool place when not in use to prevent mildew and rot.

Specific Safety Precautions for Use

- The sling is designed for use with firearms only. Do not use it for any other purpose.
- Ensure that the sling is suitable for your firearm's weight and type.
- Use caution when adjusting the sling to avoid pinching fingers or causing injury.
- When using the sling as a hasty sling for shooting, ensure that the firearm is pointed in a safe direction.
- Always follow all local laws and regulations regarding firearm safety and usage.

Instructions for Installation and Usage

1. Installation:

- Locate the swivel studs on your firearm.
- Attach the sling's hooks to the swivel studs, ensuring they are securely fastened.
- Adjust the length of the sling to your desired carrying position by sliding the buckle.

2. Usage:

- When carrying your firearm, ensure the sling is properly adjusted for comfort and security.
- To use the sling as a hasty sling for shooting, position the sling across your body and secure it under your arm.
- Maintain a firm grip on the firearm while using the sling to ensure stability and control.

Disposal Instructions

- Dispose of the sling in accordance with local regulations for textile waste.
- If the sling is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the sling in regular household waste if it can be recycled.
