# QUICK DETACH 115 MCS SWIVEL SYSTEM USER GUIDE

## Introduction

Thank you for choosing the QUICK DETACH 115 MCS SWIVEL SYSTEM by Uncle Mike's. This product is designed to enhance your shooting experience by providing a reliable and easy-to-use swivel system for your firearm. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the product is compatible with your firearm. This swivel system is designed for most pumps and autos, including the Beretta 390. It does not fit Browning 2000, Winchester 1400, Ithaca 37, Savage 30, Sears 21, or Stevens pumps.
- Always handle firearms responsibly and follow all local laws and regulations regarding firearm use and ownership.
- Keep the swivel system and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the swivel system for wear or damage. Do not use if any part is damaged.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- When installing or removing the swivel system, ensure the firearm is unloaded and pointed in a safe direction.
- Use appropriate tools when installing the swivel system to avoid damaging the firearm or the product.
- Do not force components into place; if resistance is encountered, check for compatibility and alignment.
- Avoid using the swivel system in extreme conditions (e.g., very high or low temperatures, excessive moisture) that may affect its performance.
- Do not modify the swivel system in any way. Alterations may compromise safety and functionality.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure the firearm is unloaded and in a safe position.
2. **Rear QD Base Installation:**
  - Locate the inlaid receptacle in the stock of your firearm.
  - Use the provided screws to secure the rear QD base into the receptacle. Ensure it is tightly fastened but do not overtighten, which may damage the stock.
3. **Front Base Installation:**
  - Attach the front base to the magazine cap using the provided adapter. Ensure it is securely fastened.
4. **Final Check:** Once both bases are installed, check that they are secure and properly aligned.

### Usage Instructions

- To attach a sling, simply insert the sling hook into the swivel and ensure it clicks into place.
- To detach the sling, press the release mechanism on the swivel and remove the sling hook.
- Regularly check the swivel system to ensure it remains secure during use.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal

disposal.

- Do not dispose of the swivel system in regular household waste.
- If the product is damaged beyond repair, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any inquiries or issues related to the QUICK DETACH 115 MCS SWIVEL SYSTEM, please refer to your local retailer or manufacturer's website for support and additional resources.

Thank you for your attention to these safety instructions. Enjoy using your QUICK DETACH 115 MCS SWIVEL SYSTEM responsibly and safely.
