# Safety Instruction Guide for HAMMER EXTENSIONS UNCLE MIKES 2452 HAMMER EXTENSION

## Introduction

Thank you for choosing the HAMMER EXTENSIONS UNCLE MIKES 2452 HAMMER EXTENSION. This product is designed to enhance the functionality of your external hammer rifles equipped with low mount scopes. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before each use.
- In case of any doubts or questions regarding the product's safety, seek professional advice.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the hammer extension is securely clamped onto the hammer spur before use.
- Do not attempt to modify the hammer extension in any way.
- Always check that the firearm is unloaded before installing or adjusting the hammer extension.
- Be cautious when operating the firearm with the hammer extension attached to avoid accidental discharge.
- Use the hammer extension only on compatible models as specified in the product specifications.
- If you experience any difficulties or malfunctions while using the hammer extension, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Slip the hammer extension over the hammer spur of the firearm.
- Use the Allen screws provided to clamp the hammer extension securely in place.
- Verify that the hammer extension is firmly attached and does not move when pulled.

### 2. Usage:

- To cock the external hammer, grip the knurled surface of the hammer extension for added purchase.
- Operate the firearm according to the manufacturer's instructions and standard firearm safety practices.
- Always be aware of your surroundings and ensure a safe backdrop before discharging the firearm.

### 3. Compatibility:

- The HAMMER EXTENSIONS UNCLE MIKES 2452 is designed to fit the following models:

- Make: Marlin
- Models: 19, 1957, 571, 982
- Ensure that you are using the correct model to avoid compatibility issues.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in household waste.
- If the product is damaged beyond repair, contact local waste management services for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of the HAMMER EXTENSIONS UNCLE MIKES 2452 HAMMER EXTENSION, please consult the manufacturer's website or customer service for assistance. Always ensure that you have the latest information regarding safety recalls and product updates.

Thank you for your attention to these safety guidelines. Your safety is our priority.
