Safety Instruction Guide for STRAIGHT GRAVERS BROWNELLS FLAT GRAVER #36/.0130" WIDTH

Introduction

Thank you for choosing the STRAIGHT GRAVERS BROWNELLS FLAT GRAVER #36/.0130" WIDTH. This tool is designed for precision work in various applications. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always handle tools with care to avoid injury.
- Keep the work area clean and welllit to prevent accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves when using the graver.
- Ensure that the tool is used by individuals who are familiar with its operation and risks.
- Store the tool in a safe place out of reach of children and vulnerable individuals.
- Regularly inspect the graver for any signs of damage or wear before use.

Specific Safety Precautions for Use

- Use the graver only for its intended purpose; do not use it for tasks it was not designed for.
- Avoid using excessive force when operating the graver to prevent breakage and personal injury.
- Always cut away from your body and keep hands and fingers clear of the cutting path.
- If the graver becomes dull, sharpen it before use rather than forcing it through materials.
- Do not use the graver if you are fatigued or under the influence of substances that impair judgment.

Instructions for Installation and Usage

1. Installation:

- Ensure the graver is securely attached to the handle or tool holder before use.
- Check that all components are properly aligned and tightened to prevent accidents.

2. Usage:

- Hold the graver firmly with both hands for better control.
- Position the material securely on a stable surface to prevent movement during operation.
- Begin with light pressure and gradually increase as needed for the material being worked on.
- Make smooth, controlled movements to achieve the desired shape and finish.
- After completing your work, clean the graver to remove any debris or residue.

Disposal Instructions

- Dispose of the graver responsibly when it reaches the end of its useful life.
- Follow local regulations for the disposal of metal tools.
- If the graver is damaged, take care to handle it safely to avoid injury during disposal.

Contact Information for Further Support

For any questions or concerns regarding the STRAIGHT GRAVERS BROWNELLS FLAT GRAVER #36/.0130" WIDTH, please consult the manufacturer's website or customer service.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
