Safety Instruction Guide for Mossberg Forearm

Introduction

Thank you for choosing the Mossberg Forearm. This product is designed for use with 7 3/4" action slide tube assemblies only. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure that you use the Mossberg Forearm in accordance with the provided guidelines to minimize risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any potential recalls related to this product. You can find updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations as required for physical stores.
- **Special Consumer Focus:** Extra care should be taken if children are present during installation or use.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Compatibility:** This forearm is only compatible with 7 3/4" action slide tube assemblies. Using it with a 6 3/4" action slide tube can lead to malfunction or injury.
- **Inspection:** Before each use, inspect the forearm for any signs of damage or wear. Do not use if damaged.
- **Installation:** Ensure that the forearm is installed correctly to avoid accidents during operation.
- **Handling:** Always handle the firearm safely and responsibly, following all applicable laws and regulations.
- **Storage:** Store the firearm in a secure location, away from children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing forearm by following the manufacturer's instructions.
- Align the Mossberg Forearm with the action slide tube.
- Securely attach the forearm, ensuring it is firmly in place.
- Doublecheck the installation for stability before usage.

2. Usage:

- Always point the firearm in a safe direction.
- Keep your finger off the trigger until ready to shoot.
- Be aware of your surroundings and ensure that you have a clear shooting range.
- Follow all safety protocols related to firearm operation.

Disposal Instructions

- Dispose of the Mossberg Forearm in accordance with local regulations.
- If the product is damaged beyond use, contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Mossberg Forearm, please refer to the manufacturer's customer service or the designated EU contact point. Always ensure that you have the latest information regarding safety and product recalls.

By following these guidelines, you can ensure the safe use of your Mossberg Forearm while complying with the EU General Product Safety Regulation. Thank you for your attention to safety.
