# Ejector for Mossberg® 500 Safety Instructions

## Introduction

Thank you for choosing the Ejector for Mossberg® 500. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before using the ejector.

## General Safety Guidelines

- Ensure that the ejector is compatible with your Mossberg model (500, 590, or Maverick 88).
- Always handle firearms with care and follow all safety protocols.
- Keep the ejector and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the ejector for any signs of wear or damage before use.
- Report any unsafe products or incidents to local authorities and check for recall updates.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure the firearm is unloaded before installing or inspecting the ejector.
- Do not attempt to modify the ejector or any firearm components.
- Use only factory replacement parts for your Mossberg firearm.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools for installation (e.g., screwdriver).

### 2. Installation:

- Remove the existing ejector following the manufacturer's instructions.
- Align the new ejector with the mounting points on the firearm.
- Securely fasten the ejector using the appropriate screws or fasteners.
- Doublecheck that the ejector is properly installed and secure.

### 3. Usage:

- Load the firearm with the appropriate ammunition (12 gauge or 20 gauge).
- Follow standard operating procedures for firing the firearm.
- After use, inspect the ejector to ensure it is functioning correctly.

## Disposal Instructions

- Dispose of the ejector in accordance with local regulations.
- Do not dispose of the ejector in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or safety inquiries regarding the Ejector for Mossberg® 500, please refer to the manufacturer's website or customer support resources. Always ensure that you have the most current information regarding safety and product recalls.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Mossberg firearm and its components. Thank you for your attention to these important guidelines.
