MOSSBERG 930/935/940 Firing Pin Spring Safety Instructions

Introduction

Thank you for choosing the MOSSBERG 930/935/940 Firing Pin Spring. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle the firing pin spring with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the firing pin spring for wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when handling firearms and related components.
- Do not modify the firing pin spring or use it in any way that is not specified by the manufacturer.
- Ensure that the firearm is unloaded before installing or replacing the firing pin spring.
- Follow all local laws and regulations regarding the use of firearms and firearm components.
- If you are unsure about the installation process, seek the assistance of a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation, such as a screwdriver and pliers.
- Work in a clean, dry area to avoid losing small components.

2. Installation Steps:

- Ensure the firearm is completely unloaded and the action is open.
- Remove the existing firing pin spring from the firing pin assembly as per the firearm's manual.
- Carefully install the new MOSSBERG firing pin spring by following these steps:
 - Align the spring with the firing pin assembly.
 - Gently press the spring into place until it is securely fitted.
 - Ensure that the spring is properly seated and not misaligned.

3. PostInstallation:

- After installation, doublecheck that the firing pin spring is correctly installed and that there are no loose components.
- Conduct a function check of the firearm to ensure proper operation.
- Store the firearm in a secure location when not in use.

Disposal Instructions

- Dispose of the old firing pin spring and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check local guidelines for proper disposal methods for firearm components.

Contact Information for Further Support

For any questions or concerns regarding the MOSSBERG 930/935/940 Firing Pin Spring, please refer to the manufacturer's website or contact your local dealer for assistance.

Stay safe and enjoy the use of your product responsibly.
