Safety Instruction Guide for Cartridge Interceptor Assembly for Mossberg 500

Introduction

Thank you for choosing the Cartridge Interceptor Assembly for your Mossberg 500 shotgun. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your specific model of Mossberg 500 shotgun.
- Always handle firearms with care and follow all safety protocols.
- Store the cartridge interceptor assembly in a secure location, away from children and unauthorized users.
- Regularly inspect the assembly for wear and tear before use.
- Be aware of your surroundings when using your firearm to prevent accidents.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the cartridge interceptor assembly with 12 gauge and .410 bore cartridges.
- Do not modify the cartridge interceptor assembly in any way.
- Ensure the shotgun is unloaded before installing or removing the cartridge interceptor assembly.
- Wear appropriate safety gear, including eye protection, when using firearms.
- Follow all local laws and regulations regarding firearm use and ownership.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that the shotgun is completely unloaded.
2. **Remove Old Assembly:** If applicable, carefully remove the existing cartridge interceptor assembly from the shotgun.
3. **Align Assembly:** Position the new cartridge interceptor assembly in the designated area of the shotgun.
4. **Secure Assembly:** Follow the manufacturer's instructions to secure the assembly in place, ensuring it is firmly attached.
5. **Final Check:** Inspect the installation to ensure there are no loose parts.

Usage

- Load only the appropriate cartridges (12 gauge or .410 bore) into the shotgun.
- When ready to fire, ensure that the muzzle is pointed in a safe direction.
- Always keep your finger off the trigger until you are ready to shoot.
- After use, clean and maintain the shotgun and cartridge interceptor assembly according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the cartridge interceptor assembly in accordance with local waste disposal regulations.
- Do not dispose of the assembly in regular household waste if it contains hazardous materials.
- Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding your Cartridge Interceptor Assembly, please reach out to your local Mossberg dealer or authorized service center. They can provide guidance and support for your product.

Conclusion

Following these safety instructions will help ensure that you use the Cartridge Interceptor Assembly for your Mossberg 500 shotgun safely and effectively. Always prioritize safety and comply with local laws and regulations. Thank you for choosing Mossberg.
