

MAGNI-COMP SIGHTS - HIVIZ MAGNI-COMP

[Shotgun Parts](#) > [Sights](#) > [Front Sights](#)

Mounts Rifle Sights On Vent Ribbed Shotguns

Innovative tunnel sight with highly visible red or green rod provides exceptional sight contrast in all light conditions. Front sight dot is only visible when using correct head alignment, forcing proper shooting form and increasing accuracy. Red or green fiber optic rods are easily interchanged allowing you to change sight color when light conditions change. Designed to fit ventilated ribs with removable front beads. Magni-Comp contains a compact, stainless steel base that is secured firmly to the ventilated rib using included screw, making it ideal for heavy recoil loads or ported barrels. Sight base uses a locking spring to keep the light rod secure, yet allows easy interchangeability of the red or green rod in the field with provided key. Includes five different size sight screws for a variety of ribs.

Attributes

- Name: [HIVIZ MAGNI-COMP](#)

MAGNICOMP SIGHTS Safety Instruction Guide

Introduction

Thank you for choosing the MAGNICOMP SIGHTS HIVE MAGNICOMP. This innovative tunnel sight is designed to enhance your shooting experience by providing exceptional visibility and accuracy. To ensure safe use and maximum performance, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Ensure that the MAGNICOMP SIGHTS are installed correctly before use.
- Regularly inspect your sight for wear or damage.
- Keep the sight clean and free from obstructions.
- Store the sight in a safe place, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure proper head alignment when using the sight to maximize accuracy.
- Use only the recommended fiber optic rods (red and green) that are provided with the sight.
- Do not attempt to modify the sight in any way.
- Always use the sight in accordance with the manufacturer's instructions.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the included screws and a screwdriver.
2. **Prepare the Firearm:** Make sure the firearm is unloaded and pointed in a safe direction.
3. **Attach the Base:**
 - Locate the ventilated rib on your shotgun.
 - Align the MAGNICOMP base with the rib.
 - Use the included screw to secure the base firmly to the rib.
4. **Insert the Rods:**
 - Choose either the red or green fiber optic rod.
 - Insert the rod into the locking spring mechanism of the sight.
 - Ensure it is secured properly.
5. **Check Alignment:** Ensure the sight is aligned correctly with the barrel.

Usage

1. **Head Alignment:** Ensure your head is aligned properly to see the front sight dot.
2. **Shooting Form:** Maintain proper shooting form to increase accuracy.
3. **Changing Rods:** If light conditions change, use the provided key to interchange the fiber optic rods easily.

Disposal Instructions

- Dispose of the MAGNICOMP SIGHTS in accordance with local regulations.
- Do not dispose of the product in household waste.

- Check with local waste management authorities for proper disposal methods.
