

# AK-47 FIBER OPTIC FRONT SIGHT - HIVIZ FIBER OPTIC FRONT SIGHT STEEL MULTI

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

## Bright Fiber Optic For Easy Aiming

Replacement front sight post has a light-gathering fiber optic rod to produce a bright dot that's easy to acquire in a broad range of light conditions. Easily replaces the post on most AK-47, AK-74 and AKM rifle sights, no gunsmithing required. Unique, U-shaped rod gathers far more light than a standard straight rod—perfect for low-light situations. Comes with two green and two red interchangeable rods that can be changed quickly using the included tool, so you can customize the sight picture or replace a damaged rod quickly. Elevation adjustable.

# Safety Instruction Guide for AK47 FIBER OPTIC FRONT SIGHT

## Introduction

Thank you for choosing the AK47 FIBER OPTIC FRONT SIGHT by HIVIZ. This product is designed to enhance your shooting experience with improved sight visibility in various lighting conditions. It is essential to follow the safety guidelines and instructions outlined in this document to ensure safe and effective use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and any accessories, including this front sight, securely and out of reach of children.
- Regularly inspect your firearm and sight for wear or damage.
- Do not use the front sight if it appears damaged or defective.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a clear shooting area.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Ensure that the front sight is compatible with your specific model of AK47, AK74, or AKM.
- Do not attempt to modify the front sight or firearm in any way that could compromise safety.
- Avoid using the front sight in extreme weather conditions that may affect its performance.
- Be cautious when changing the fiber optic rods; follow the instructions carefully to avoid injury.
- If you experience any issues with the sight during use, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** Ensure you have the included sight wrench and fiber optic rod removal tool.
2. **Remove Existing Front Sight:** Carefully unscrew the existing front sight post using the sight wrench.
3. **Install the New Front Sight:**
  - Align the new front sight post with the mounting area.
  - Securely screw the new sight post into place using the sight wrench.
4. **Change Fiber Optic Rods:**
  - Use the fiber optic rod removal tool to gently remove the existing rods.
  - Insert the desired green or red fiber optic rod into the designated slots.
  - Ensure the rods are securely in place.

### Usage

- Once installed, adjust the elevation of the front sight as needed for your shooting conditions.
- Familiarize yourself with the sight picture and practice aiming in a safe environment.
- Regularly check the sight for any signs of wear or damage, especially before use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and optical waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond use, contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the AK47 FIBER OPTIC FRONT SIGHT, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions and guidelines, you can ensure a safer and more enjoyable shooting experience. Thank you for your attention to safety!
