

# RUGER® MK II/III™ & BUCKMARK LITEWAVE FRONT SIGHT - HIVIZ RUGER® MK II/III, BUCKMARK, LITEWAVE FRONT SIGHT

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

The new LITEWAVE sight design from HIVIZ features an innovative, diagonal-wave design that increases durability to the protective exoskeleton and allows for more exposed surface area for the LITEPIPE to gather light from all angles, for the brightest sight available. Ruger® MKII/III LITEWAVE front sight fits MK II/III™ heavy barrel guns including 22/45™ with adjustable rear sight only. Does not fit 22/45 Lite model. Also Fits Browning Buckmark pistols (except Challenge, 5.5 Target, and 5.5 Field). Will fit Ruger® Single Six® revolvers with adjustable rear sights. Includes interchangeable LitePipes in red, green, and white.

# Safety Instruction Guide for RUGER® MK II/III™ & BUCKMARK LITEWAVE FRONT SIGHT

## Introduction

Thank you for choosing the RUGER® MK II/III™ & BUCKMARK LITEWAVE FRONT SIGHT by HIVIZ. This guide provides essential safety information and instructions for the safe use, installation, and disposal of your front sight. Please read this guide carefully to ensure a safe and enjoyable experience.

## General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep the front sight and firearm out of reach of children and unauthorized users.
- Inspect the front sight before each use to ensure it is in proper working condition.
- Do not use the front sight if it is damaged or if there are any signs of wear.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- The LITEWAVE front sight is designed for use with specific models of Ruger firearms. Ensure compatibility before installation.
- Do not attempt to modify the front sight or use it in a manner not specified in this guide.
- When installing or adjusting the front sight, ensure the firearm is unloaded.
- Use caution when handling LitePipes. Do not expose them to extreme heat or direct sunlight for prolonged periods.
- If you experience any issues with the sight, discontinue use and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight from your Ruger MK II/III or Buckmark pistol, if applicable.
- Align the LITEWAVE front sight with the mounting slot on your firearm.
- Secure the front sight in place according to the manufacturer's instructions for your specific firearm model.
- Replace the LitePipe as needed. The LITEWAVE sight comes with interchangeable LitePipes in red, green, and white.

### 2. Usage

- Once installed, familiarize yourself with the sighting system before using the firearm.
- Adjust the rear sight as necessary to ensure proper alignment with the front sight.
- Practice safe shooting techniques and always wear appropriate eye and ear protection.

## Disposal Instructions

- Dispose of the front sight in accordance with local regulations regarding electronic and optical devices.
- If the sight is damaged beyond repair, please contact your local waste management authority for proper disposal methods.
- Ensure that LitePipes are disposed of responsibly, as they may contain materials that require special handling.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the RUGER® MK II/III™ & BUCKMARK LITEWAVE FRONT SIGHT, please reach out to the appropriate support channels as indicated on the product packaging or manufacturer's website.

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR) and ensure the safe use of the RUGER® MK II/III™ & BUCKMARK LITEWAVE FRONT SIGHT. Always prioritize safety and adhere to the guidelines provided in this document. Thank you for your attention to these important safety measures.
