

# RECOIL GUIDE ROD for GLOCK® - LIGHTNING STRIKE 17/22 CAPTURED

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

## Replaces The Plastic Factory Rod For Improved Cycling; Captured & Non-Captured Styles

Full-length, polished, solid stainless steel rods prevent spring bind for smooth cycling and improved reliability. Non-Captured models give you the option of easily changing to different weight springs. Captured models are easy to install and remove for cleaning and maintenance without risk of losing the spring.

## Attributes

- Name: [LIGHTNING STRIKE 17/22 CAPTURED](#)

# RECOIL GUIDE ROD for GLOCK® LIGHTNING STRIKE 17/22 CAPTURED Safety Instructions

## Introduction

Thank you for choosing the RECOIL GUIDE ROD for GLOCK® LIGHTNING STRIKE 17/22 CAPTURED. This safety instruction guide provides essential information to ensure the safe use and maintenance of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

## General Safety Guidelines

- Product Safety: This product is designed to be safe when used as intended. Always follow the instructions to minimize risks.
- Enhanced Recalls: Stay informed about recalls and safety notices related to this product. If a recall occurs, follow the instructions provided for safe returns or remedies.
- Online Shopping: If purchased online, ensure that the seller complies with safety requirements and provides adequate information about the product.
- Special Consumer Focus: Extra care should be taken when using this product around children or vulnerable individuals.
- EU Contact Point: For safety inquiries or concerns, please reach out to the appropriate EUbased contact.
- Rapid Alerts: Keep informed about any alerts related to product safety through the Safety Gate system.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the recoil guide rod.
- Inspect the recoil guide rod for any signs of damage or wear before use.
- Use only compatible springs with the captured model to ensure proper function.
- Do not modify the recoil guide rod in any way, as this may compromise safety.
- Keep the recoil guide rod and all components out of reach of children and unauthorized users.
- If you experience any issues during installation or use, consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the slide from the frame of the Glock firearm.
- Carefully remove the old recoil guide rod and spring.
- Install the new RECOIL GUIDE ROD by aligning it with the recoil spring assembly.
- Ensure that the rod is seated properly and secured in place.
- Reassemble the slide onto the frame, ensuring all components are aligned.

### 2. Usage:

- After installation, conduct a function check to ensure proper cycling of the firearm.
- Regularly inspect the recoil guide rod and spring for any signs of wear or damage during routine maintenance.
- Clean the recoil guide rod periodically to maintain performance and reliability.

## Disposal Instructions

- Dispose of the recoil guide rod responsibly. Follow local regulations for the disposal of metal components.
- If the product is no longer needed, consider recycling the stainless steel to minimize environmental

impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the RECOIL GUIDE ROD for GLOCK® LIGHTNING STRIKE 17/22 CAPTURED, please refer to the manufacturer or retailer from whom you purchased the product. They can provide you with the necessary support and information.

By following these safety instructions, you can ensure a safe and reliable experience with your recoil guide rod. Thank you for your attention to safety and for choosing our product.
