TITANIUM SAFETY PLUNGER for GLOCK®

LIGHTNING STRIKE SMALL SAFETY PLUNGER

Safety Instructions

Introduction

Thank you for choosing the TITANIUM SAFETY PLUNGER for your Glock® firearm. This product is designed to enhance your trigger pull experience while maintaining safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe and effective use of your safety plunger.

General Safety Guidelines

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure the firearm is unloaded before installation or maintenance.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the safety plunger for signs of wear or damage.
- Report any unsafe product experiences to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure compatibility with your Glock® model (Fits Glock Models 17, 18, 19, 20, 22, 23, 24, 26, 27, 29, 31, 32, 33, 34 & 35).
- Use only the Wolff safety plunger spring included with the product.
- Do not modify the safety plunger or use it in any manner not recommended by the manufacturer.
- Avoid exposure to extreme temperatures and corrosive substances to maintain product integrity.
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Glock® firearm is unloaded and pointed in a safe direction.
- Gather necessary tools (e.g., punch tool, hammer) for installation.

2. Installation Steps:

- Remove the slide from the Glock® frame according to the manufacturer's instructions.
- Locate the existing safety plunger and remove it carefully.
- Insert the new TITANIUM SAFETY PLUNGER into the designated slot.
- Ensure the plunger is seated properly and secure it with the included Wolff safety plunger spring.
- Reassemble the slide onto the Glock® frame, ensuring all components are aligned correctly.

3. Usage:

- Test the trigger pull to ensure proper functionality after installation.
- Regularly check the safety plunger during routine maintenance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the safety plunger in regular household waste.

Contact Information for Further Support

For any questions regarding the installation, usage, or safety of the TITANIUM SAFETY PLUNGER, please refer to the manufacturer's contact information provided with your product packaging.

Important Note

This safety instruction guide is intended to provide essential information regarding the safe use of the TITANIUM SAFETY PLUNGER. It is the responsibility of the user to ensure that they follow all safety guidelines and regulations applicable to their specific situation. Always prioritize safety and seek professional assistance if needed.
