[Shooting Accessories](#) > [Targets & Accessories](#) > [Paper Targets](#)

## High Contrast Improves Sight Picture

Brilliant fluorescent red on a white background presents a highly visible aiming point for precise sight alignment. Offers excellent contrast to easily align sights or crosshairs. Features a grid divided into 1" squares to help you quickly determine sight adjustments. ST-3 has an easy-to-see red bull that really stands out in all light conditions; perfect for target shooting or sight-in with iron sights or scopes. ST-4 has diamond center with bold 90° alignment lines. Five separate sighting points lets you shoot several groups before replacing target.

# **SIGHTINTARGETS NATIONAL TARGET ST3 ORANGE SIGHTIN TARGETS Safety Instructions**

## **Introduction**

Thank you for choosing the SIGHTINTARGETS NATIONAL TARGET ST3 ORANGE SIGHTIN TARGETS. This guide provides important safety instructions and guidelines to ensure safe use of the product. Please read this document carefully before using the targets.

## **General Safety Guidelines**

- Ensure that the targets are used in a safe and controlled environment, away from people and animals.
- Always follow local laws and regulations regarding target shooting and use of firearms.
- Inspect targets for any damage before use. Do not use damaged targets.
- Keep the targets out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use targets only for their intended purpose: sighting in firearms and practicing marksmanship.
- Do not shoot at targets in high winds or poor visibility conditions to ensure accuracy and safety.
- Ensure that the target is securely positioned before shooting to prevent it from falling or being displaced.
- Use appropriate firearms and ammunition that are suitable for the size and type of target.
- Maintain a safe distance from the shooting area, ensuring that bystanders are at a safe distance.
- Always wear appropriate eye and ear protection when shooting.

## **Instructions for Installation and Usage**

### **1. Setting Up the Target:**

- Choose a flat, stable area for target placement.
- Ensure the target is at a safe distance from all spectators and structures.
- If using a target stand, securely attach the target to prevent it from falling.

### **2. Using the Target:**

- Aim carefully at the designated bullseye or sighting points.
- Take your time to ensure proper sight alignment and trigger control.
- After shooting, check the target for accuracy and make necessary adjustments for the next shots.

### **3. PostShooting:**

- After use, carefully remove the target and dispose of it according to local regulations.
- Clean up any debris or remnants from the shooting area to maintain safety.

## **Disposal Instructions**

- Dispose of used targets in accordance with local waste disposal regulations.
- Do not burn targets as they may contain materials that are harmful when incinerated.
- If the targets are damaged or no longer usable, ensure they are disposed of safely to prevent accidents.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details available on the packaging or the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience while using the SIGHTINTARGETS NATIONAL TARGET ST3 ORANGE SIGHTIN TARGETS. Thank you for prioritizing safety.
