

1911 DROP-IN TRIGGER JOB - NOWLIN SPEED DEMON II ACTION KIT-3LB PULL

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

A Professional Trigger Pull Without The Work

Ready-to-drop-in parts put an ultra-smooth, clean breaking, professional quality trigger job in your 1911 Auto in only minutes. Fully prepared hammer and pre-ground, pre-polished sear, plus springs and fully-machined disconnecter, will install into most models of 1911 Autos with little or no fitting required. Helps promote better trigger control and improved accuracy. Pro Match - features wire EDM'd hammer and sear that are double heat treated, then finish ground for outstanding durability - 3 1/2 lb. pull weight. Commander Match - Carry Defense Style! A professional 4 lb. trigger pull.

Safety Instruction Guide for 1911 DROPIN TRIGGER JOB NOWLIN SPEED DEMON II ACTION KIT3LB PULL

Introduction

Thank you for choosing the 1911 DROPIN TRIGGER JOB NOWLIN SPEED DEMON II ACTION KIT3LB PULL. This product is designed to enhance the performance of your 1911 Auto with a professional quality trigger job. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation of your 1911 Auto before installing this kit.
- Always handle firearms with care and follow standard gun safety rules.
- This product is intended for use by qualified individuals. If you are not experienced in firearm modifications, seek assistance from a professional gunsmith.
- Keep this product out of reach of children and unauthorized users.
- Regularly check for any product recalls or safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Inspect all components of the kit before installation to ensure they are in good condition and free from defects.
- Do not attempt to use this kit if any parts are damaged or missing.
- Always wear safety glasses when working with tools and firearms to protect your eyes from debris.
- Use proper tools and follow all recommended procedures during installation to avoid injury.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation and testing.
- After installation, verify the functionality of the trigger job in a safe environment before using the firearm in a live setting.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components required for installation.
- Ensure that your workspace is clean and free from distractions.

2. Installation Steps

- Remove the magazine and ensure the firearm is unloaded.
- Disassemble the 1911 Auto according to the manufacturer's instructions.
- Install the hammer and sear from the kit, ensuring they fit securely.
- Replace the sear spring and mainspring (hammer spring) as per the kit specifications.
- Install the disconnect, ensuring it is properly aligned and secured.
- Reassemble the firearm carefully, following all standard assembly procedures.

3. Testing

- After installation, perform a function check to ensure that the trigger operates correctly.
- Test the trigger pull weight to confirm it meets the desired specifications (3.5 lb for Pro Match and 4 lb for Commander Match).
- Conduct a dry fire test in a safe environment to ensure smooth operation.

4. Final Checks

- Ensure all components are securely installed and there are no loose parts.
- Store the firearm safely when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If any components of the trigger kit become damaged or are no longer usable, follow local guidelines for the safe disposal of firearm parts.
- Do not throw away functional parts; consider recycling or repurposing them if safe to do so.

Contact Information for Further Support

For any questions or concerns regarding the installation or use of the 1911 DROPIN TRIGGER JOB NOWLIN SPEED DEMON II ACTION KIT3LB PULL, please consult a qualified gunsmith or contact the manufacturer directly. It is essential to ensure all inquiries are directed to an EU-based contact for compliance with safety regulations.

Thank you for your attention to these safety guidelines. Enjoy the enhanced performance of your firearm with confidence!
