

# 6" X 1/2" X 1/2" INDIA STONE - NORTON MEDIUM STONE

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Stones](#)

## Traditional Gunsmithing Favorites Deliver Excellent Surface Finishes

Fast cutting aluminum oxide stone. Medium is perfect for fast production cleanup of the manufacturing burrs found in almost all new guns. A few quick strokes in the jig results in a much smoother trigger pull. Lubricate with stoning/honing oil. Fine is a good combination of speed and smoothness of cut to put a finer finish on parts for slicker, smoother trigger pulls. A favorite of many armorers. Lubricate with stoning/honing oil. Aluminum oxide.

# Consumer Safety Instruction Guide for 6" X 1/2" X 1/2" INDIA STONE NORTON MEDIUM STONE

## Introduction

Thank you for choosing the 6" X 1/2" X 1/2" India Stone Norton Medium Stone. This product is designed for fast cutting and cleaning of manufacturing burrs, particularly in the context of firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the stone regularly for any signs of damage or wear before use.
- Always use personal protective equipment (PPE) such as safety goggles and gloves when using the stone.
- Store the stone in a dry place, away from direct sunlight and extreme temperatures.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Lubricate the stone with stoning/honing oil before use to ensure smooth operation.
- Use the stone only on appropriate materials; do not use it on materials that may generate hazardous dust or fumes.
- Avoid applying excessive pressure while using the stone; let the tool do the work.
- Do not use the stone if it is cracked, chipped, or otherwise damaged.
- Always follow the manufacturer's instructions for use and maintenance.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary materials, including stoning/honing oil and personal protective equipment.
- Ensure your work area is clean and free from clutter.

### 2. Lubrication

- Apply a small amount of stoning/honing oil to the surface of the stone.
- Spread the oil evenly across the stone to create a thin film.

### 3. Using the Stone

- Hold the stone firmly in one hand and the part to be worked on in the other.
- Position the part against the stone at a comfortable angle.
- Use smooth, even strokes across the surface of the part, allowing the stone to do the cutting.
- Frequently check the progress and adjust the angle or pressure as necessary.

### 4. After Use

- Clean the stone with a cloth to remove any debris and excess oil.
- Store the stone in its designated place to prevent damage.

## Disposal Instructions

- Dispose of the stone in accordance with local regulations regarding nonhazardous materials.
- If the stone is damaged beyond use, consider recycling it if possible.
- Do not dispose of the stone in household waste if it contains hazardous materials.

## Contact Information for Further Support

For any questions regarding safety, usage, or product recalls, please refer to the relevant consumer safety authorities in your region. Ensure that you stay informed about any potential recalls or safety updates through official channels.

By following these guidelines, you can ensure a safe and effective experience with your 6" X 1/2" X 1/2" India Stone Norton Medium Stone. Thank you for prioritizing safety in your use of this product.
