

1911 NXT EXTENDED THUMB SAFETIES - NOVAK NXT SAFETY, BLUED

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

Design Enhancements For Superior Performance; Standard & Ambidextrous Models

Novak takes the 1911 safety a step further with streamlined styling and several operating enhancements. A re-designed detent enables extremely positive engagement and helps hold the plunger tube against the frame to keep it from working loose. The right-hand paddle on the ambidextrous model is keyed and pinned to the shaft to prevent flex and eliminate the need for the grip to hold the right lever in place. It also permits a much slimmer paddle that works with any grip, including LaserGrips. Completely “carry beveled” with all sharp edges removed for shooter comfort and control.

Attributes

- Name: [NOVAK NXT SAFETY, BLUED](#)
- Manufacturer: [NOVAK](#)
- Product no.: 662000103
- Mfr. No.: N1911TSB

Safety Instruction Guide for 1911 NXT Extended Thumb Safeties Novak NXT Safety, Blued

Introduction

Thank you for choosing the 1911 NXT Extended Thumb Safeties Novak NXT Safety, Blued. This product is designed to enhance the safety and usability of your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all safety precautions are followed when handling and using firearms.
- Always treat every firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Use proper eye and ear protection when shooting.
- Regularly inspect your firearm and accessories for wear and damage.
- Store firearms securely in a locked location when not in use.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Ensure that the 1911 NXT Extended Thumb Safety is properly installed before use.
- Do not attempt to modify or alter the safety in any way.
- Always check that the safety is engaged when the firearm is not in use.
- Be aware of your surroundings and ensure a safe shooting environment.
- If the safety does not engage or disengage properly, cease use immediately and consult a qualified gunsmith.
- This product is designed for righthanded shooters. Ensure proper orientation before use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Remove the existing thumb safety from the firearm according to the manufacturer's instructions.
- Install the 1911 NXT Extended Thumb Safety by following these steps:
 - Align the safety with the plunger tube.
 - Secure the righthand paddle to the shaft using the provided pin.
 - Ensure that the detent is properly engaged to hold the plunger tube against the frame.
- Verify that the safety operates smoothly by engaging and disengaging it several times.

2. Usage:

- Always engage the thumb safety when the firearm is not in use.
- To disengage the safety, use your thumb to press down on the paddle while maintaining a firm grip on the firearm.
- To engage the safety, ensure the firearm is pointed in a safe direction and press the paddle up with your thumb.
- Regularly check the functionality of the safety during routine firearm maintenance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety issues or product functionality, please consult a qualified gunsmith or contact the manufacturer directly. Ensure you have the product details available for reference.

By following these safety instructions, you will help ensure a safe and enjoyable experience with your 1911 NXT Extended Thumb Safeties Novak NXT Safety, Blued. Thank you for your attention to these important safety guidelines.
