

1911 WHITE DOT REAR SIGHTS - WD 1911/LM USES FRONT .175"-.200", REAR BLADE .700"X.325"

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Competition (Comp) plain, target style, undercut blade with protected notch. Hangs over the rear of the slide and extends sight radius for quicker, more precise sighting. Lo-Mount (LM) has an angled top surface with mitered edges that won't snag on holsters or clothes. Rebated blade fights glare. Wide Notch (WN) has enlarged, .140" notch to provide more light around the front sight for a clearer sight picture and faster target acquisition. Super Wide Notch (SWN) has .170" wide notch for even faster target acquisition; helps aging eyes see the front sight more easily.

Safety Instruction Guide for 1911 White Dot Rear Sights

Introduction

Thank you for purchasing the 1911 White Dot Rear Sights. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is installed by a qualified gunsmith or experienced individual.
- Always handle firearms with care and treat them as if they are loaded.
- Use the sights only with compatible firearms: 1911 Government, Commander, and Officers models.
- Keep the sights and firearm away from children and unauthorized users.
- Regularly inspect the sights for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the sights in any way.
- Ensure proper alignment of the sights before use to avoid misfires or accidents.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate eye and ear protection when using firearms.
- Avoid using the sights in adverse weather conditions that may impair visibility.

Instructions for Installation and Usage

1. Installation

- Consult a qualified gunsmith for installation to ensure proper fit and function.
- Ensure that the firearm is unloaded before beginning the installation process.
- Carefully remove any existing rear sights from the firearm using appropriate tools.
- Align the 1911 White Dot Rear Sights with the sight dovetail on the firearm.
- Secure the sights in place according to the manufacturer's specifications.

2. Usage

- Familiarize yourself with the sight picture before engaging in live fire.
- Practice aiming and shooting in a controlled environment to gain proficiency.
- Adjust your shooting stance and grip to accommodate the sighting system.
- Regularly check the sights for proper alignment and functionality during practice sessions.

Disposal Instructions

- Dispose of any damaged or worn sights in accordance with local regulations.
- Do not dispose of sights in regular household waste. Contact local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please consult with a qualified gunsmith.

or your point of purchase. Always prioritize safety and compliance with local laws and regulations.

Thank you for choosing the 1911 White Dot Rear Sights. Your safety and satisfaction are our top priorities.
