

SLING SWIVEL SETS - OUTDOOR CONNECTION TALON 1" LOOP

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Sling Loop Sets](#)

High Strength; Quick-Detach For Easy Removal

Well designed, high strength swivels with quick-detach feature allow one sling to be used for multiple rifles. Talon sling swivels lock to the base with a push-pin that's spring loaded to the closed position to prevent accidental opening. All steel construction for durability. Brute swivels are constructed with advanced polymer for smooth, quiet operation without squeaking or scratching the stock. Threaded steel cross-screw locks the swivel to the base; includes a knurled end with screwdriver slot for easy turning. Resistant to corrosion. Purchase swivel set and screw set separately.

SLING SWIVEL SETS OUTDOOR CONNECTION

TALON 1" LOOP Safety Instructions

Introduction

Thank you for purchasing the Sling Swivel Sets from Outdoor Connection. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before use.

General Safety Guidelines

- Always inspect the sling swivels before each use for any signs of wear or damage.
- Ensure that the swivels are securely attached to both the sling and the firearm before use.
- Keep the product out of reach of children and unauthorized users.
- Do not use the swivels for any purpose other than their intended use.
- If you notice any unusual noises or movement while using the product, discontinue use immediately and inspect for issues.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:** Risk of accidental opening: Ensure the pushpin is fully engaged to avoid accidental detachment. Potential injury from misuse: Always use the product as intended and follow installation guidelines.
- **Avoiding Hazards:** Always confirm that the swivels are locked in place before handling the firearm. Do not exceed the weight limits of the sling swivels as specified by the manufacturer. Avoid using the product in extreme weather conditions that may affect its performance.
- **Age Specific Warnings:** This product is not intended for use by children. Adult supervision is required when used in the vicinity of minors.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the correct tools for installation, including a screwdriver for the knurled end.
- Align the swivel with the mounting base on your firearm.
- Insert the threaded steel crossscrew and tighten securely using the screwdriver slot.
- Confirm that the swivel is locked in place and cannot be easily detached.

2. Usage:

- Attach the sling to the swivels securely.
- Adjust the sling length as needed for comfort and control.
- When detaching the sling, press the springloaded pushpin and gently pull the sling away from the base.
- Store the swivels in a dry place when not in use to prevent corrosion.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains materials that can be recycled.
- Check for local recycling programs or hazardous waste disposal options for metal and polymer materials.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product information, please refer to the manufacturer's website or contact their customer service directly. Always ensure you have the product details on hand for efficient assistance.

Thank you for choosing Outdoor Connection. Your safety and satisfaction are our top priorities.
