

# SLING SWIVEL SETS - OUTDOOR CONNECTION TALON 1-1/4" LOOP

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Sling Loop Sets](#)

## High Strength; Quick-Detach For Easy Removal

Well designed, high strength swivels with quick-detach feature allow one sling to be used for multiple rifles. Talon sling swivels lock to the base with a push-pin that's spring loaded to the closed position to prevent accidental opening. All steel construction for durability. Brute swivels are constructed with advanced polymer for smooth, quiet operation without squeaking or scratching the stock. Threaded steel cross-screw locks the swivel to the base; includes a knurled end with screwdriver slot for easy turning. Resistant to corrosion. Purchase swivel set and screw set separately.

# SLING SWIVEL SETS OUTDOOR CONNECTION TALON 11/4" LOOP Safety Instruction Guide

## Introduction

Thank you for choosing the SLING SWIVEL SETS OUTDOOR CONNECTION TALON 11/4" LOOP. This product is designed for high strength and durability, ensuring a reliable connection for your outdoor equipment. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always inspect the sling swivels before use to check for any signs of wear or damage.
- Ensure that the swivels are securely attached to the sling and the rifle before use.
- Do not exceed the recommended load limits for the swivels.
- Keep the product out of the reach of children to prevent accidents.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Risk of Accidental Opening:** The quickdetach feature is designed to prevent accidental opening. Ensure the pushpin is fully engaged before use.
- Corrosion Resistance:** Although the product is resistant to corrosion, exposure to harsh environments can still cause damage. Clean and dry the swivels after use in wet or muddy conditions.
- Proper Handling:** Handle the swivels with care to avoid dropping or damaging them, which could lead to failure during use.
- AgeSpecific Warning:** This product is not intended for use by children. Ensure that it is used only by individuals who are knowledgeable about firearm safety.

## Instructions for Installation and Usage

### Installation

- Preparation:** Gather all necessary tools, including a screwdriver for the knurled end of the screw.
- Attach the Swivel:**
  - Align the swivel with the mounting point on the rifle.
  - Insert the threaded steel crossscrew through the swivel and into the mounting point.
  - Use the screwdriver slot on the knurled end to tighten the screw securely.
- Check Security:** After installation, pull gently on the swivel to ensure it is securely attached.

### Usage

- To use the sling swivel:
  - Ensure that the sling is properly threaded through the loop.
  - When detaching, press the pushpin to release the swivel from the base.
  - Always verify that the swivel is locked in place before use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling the steel and polymer components where possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the SLING SWIVEL SETS OUTDOOR CONNECTION TALON 11/4" LOOP, please refer to the contact information provided with your product packaging or visit the manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Enjoy your outdoor activities safely!
