ARCHANGEL M1A Precision Stock Safety Instructions

Introduction

Thank you for choosing the ARCHANGEL M1A Precision Stock. This guide provides essential safety instructions to ensure the safe use and handling of your new stock for Springfield M1A™ and M14 rifles. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat your firearm with respect and follow all safety protocols.
- Ensure that the firearm is unloaded before attaching or removing the stock.
- Store the stock and firearm in a secure location, away from unauthorized users, especially children.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Do not modify the stock in any way that could compromise its safety or performance.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the stock is properly installed and secured before use.
- Do not exceed the recommended length of pull adjustment; adjust within the specified range of 135/8" to 1413/16".
- Use only compatible sling swivel studs; ensure they are securely attached before use.
- Do not exceed the weight limit for the stock, which is designed to handle standard accessories.
- Avoid using solvents or oils that are not compatible with polymer materials.
- Keep the stock clean and free from debris to maintain optimal performance.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing stock from the Springfield M1A™ or M14 rifle according to the manufacturer's instructions.
3. Align the ARCHANGEL M1A Precision Stock with the rifle's receiver.
4. Securely attach the stock using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.
5. Adjust the length of pull using the thumbwheel click mechanism to your preferred setting.
6. Install the cheek riser by adjusting it to your comfort level using the thumbwheel click feature.
7. Attach any sling swivels as needed, ensuring they are properly secured.

Usage

- Always ensure that the stock is properly adjusted for your shooting position before firing.
- Maintain a firm grip on the rifle while shooting to ensure stability and control.
- Regularly check the stock for any signs of wear or loosening, especially after extended use.
- Clean the stock with a mild soap solution and soft cloth; avoid harsh chemicals.

Disposal Instructions

When disposing of the ARCHANGEL M1A Precision Stock, follow these guidelines:

- Check local regulations for disposal of polymer materials.
- Do not dispose of the stock in regular household waste if it can be recycled.
- If the stock is damaged beyond repair, contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the ARCHANGEL M1A Precision Stock, please refer to the manufacturer's contact information provided with your product. Always ensure that you have the latest information regarding safety updates and recalls through the appropriate channels.
