

COMPAC GRIPS - PACHMAYR MODEL SK/L S&W K/L FRAME W/SQUARE BUTT

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Non-Slip Grips For All Conditions

Neoprene rubber absorbs recoil, provides absolute, no-slip grip, wet or dry. Molded-in checkering makes grip even more secure. Extra thickness and/or length, plus filler material in critical areas. All have speed loader clearance.

COMPAC GRIPS PACHMAYR MODEL SK/L S&W K/L FRAME W/SQUARE BUTT Safety Instructions

Introduction

Thank you for choosing the COMPAC GRIPS PACHMAYR MODEL SK/L for your Smith & Wesson K/L frame with a square butt. This manual provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the grips are compatible with your specific firearm model.
- Always handle your firearm safely and responsibly, following all local laws and regulations.
- Inspect the grips before each use for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and contact a qualified professional.
- Keep the grips out of reach of children and unauthorized users.
- Follow all manufacturer instructions and guidelines for your firearm to ensure safe operation.

Specific Safety Precautions for Use

- The neoprene rubber grips are designed to absorb recoil; however, always maintain a firm grip while handling your firearm.
- Be aware of your surroundings when using your firearm, and ensure that you are in a safe, controlled environment.
- Avoid using the grips in extreme temperatures or wet conditions that may affect their performance.
- Do not modify or alter the grips in any way, as this may compromise their safety and effectiveness.
- Always use the grips with the appropriate speed loader for your firearm model.

Instructions for Installation and Usage

1. Installation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing grips from your firearm by unscrewing the grip screws.
- Align the COMPAC GRIPS with the frame of your firearm.
- Secure the grips in place by tightening the grip screws evenly. Do not overtighten, as this may damage the grips or the firearm.
- Check that the grips are firmly attached and do not move when pulled.

2. Usage

- Hold the firearm firmly with both hands, ensuring that your fingers are clear of the trigger until ready to shoot.
- Use the grips to maintain control and stability while firing.
- After use, clean the grips with a damp cloth to remove any residue or debris.

Disposal Instructions

- Dispose of the grips responsibly according to local regulations.
- If the grips are damaged or no longer usable, consider recycling them if possible.
- Do not dispose of the grips in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the COMPAC GRIPS PACHMAYR MODEL SK/L, please refer to the manufacturer's contact details provided on the packaging or seek assistance from a qualified professional.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your COMPAC GRIPS PACHMAYR MODEL SK/L. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these important guidelines.
