## Introduction

Thank you for choosing the S&W K&L Frame Diamond Pro Grip by Pachmayr. This guide provides important safety information and instructions to ensure the proper use and maintenance of your new grips. Please read this guide thoroughly before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure that the grips are installed properly to prevent any accidents or injuries during use.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Keep grips out of reach of children. The product is designed for adult use only.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your seller or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the firearm is unloaded before installing the grips.
- **Grip Security:** After installation, check that the grips are securely attached and do not move.
- **Proper Handling:** Always handle your firearm with care and respect, following all safety protocols.
- **Avoid Excessive Force:** Do not use excessive force when installing or removing the grips to avoid damage.
- **Inspect Regularly:** Periodically check the grips for wear and tear. Replace if damaged.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, if required, for installation.

### 2. Installation:

- Carefully remove the existing grips from the firearm, if applicable.
- Align the Pachmayr Diamond Pro Grips with the grip frame of the firearm.
- Gently slide the grips over the grip frame, ensuring a snug fit without gaps.
- Secure the grips in place using any screws or fasteners provided, if applicable.
- Doublecheck that the grips are firmly attached and do not move.

### 3. Usage:

- Hold the firearm with the installed grips using a proper grip technique.
- Ensure that your hands are dry and free from any substances that may affect grip performance.
- Practice safe shooting habits and always follow firearm safety rules.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the grips become damaged beyond repair, check with local waste management for proper disposal methods.
