# Safety Instruction Guide for the Expert Fiber Optic Shotgun Sight

## Introduction

Thank you for choosing the Expert Fiber Optic Shotgun Sight by Marble Arms. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Ensure the product is suitable for your specific shotgun model before installation.
- Always handle the sight with care to avoid damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the sight for any signs of wear or damage.
- Do not use the sight if it appears to be defective or damaged.
- Familiarize yourself with the operation of your shotgun and its components before use.

## Specific Safety Precautions for Use

- **Installation Hazards:**
  - Improper installation can lead to malfunction or injury. Follow the installation instructions carefully.
- **Shooting Safety:**
  - Always follow firearm safety rules, including treating every firearm as if it is loaded.
  - Ensure you are in a safe environment when using your shotgun.
- **Visibility Concerns:**
  - Ensure the sight is clean and unobstructed for optimal visibility.
- **Environmental Conditions:**
  - Avoid using the sight in extreme weather conditions that may impair visibility or functionality.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove any existing sight from the shotgun rib, if applicable.
- Align the Expert Fiber Optic Shotgun Sight with the rib of the shotgun.
- Secure the sight using the appropriate thread size (356 or 648) to ensure a tight fit.
- Check the alignment and make any necessary adjustments.

### 2. Usage Guidelines:

- Once installed, ensure the sight is clean and free from obstructions.
- Practice aiming with the sight in a controlled environment before using it in the field.
- Regularly check the sight for stability and functionality during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond use, do not attempt to repair it. Instead, recycle or dispose of it responsibly.

## **Contact Information for Further Support**

For any questions or safety inquiries regarding the Expert Fiber Optic Shotgun Sight, please reach out to the designated EU contact point provided with your product packaging or manual.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Expert Fiber Optic Shotgun Sight. Always prioritize safety and proper handling when using your shotgun. Thank you for your attention to these important guidelines.
