

# RUGER® 10/22® .17 RIMFIRE HEAVY BOLT HANDLE - POWER CUSTOM 10/22® BOLT HANDLE FOR .17 CONVERSION

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

## Smoother Cycling & Improved Reliability For Converted 10/22 Rifles

Dense, tungsten core provides the added weight required to slow bolt speed for safe and reliable function of higher pressure, .17 rimfire cartridges in converted 10/22® rifles. Keeps bolt closed longer to prevent case ruptures, extractor blowout, and cracked receivers, and is a mandatory part when using the factory .22 rimfire bolt for your conversion. Oversized handle is easy to locate and grasp in the field or during fast paced competition. Precision machined, stainless steel, bolt handle body resists rust and corrosion. Included stainless steel guide rod and Wolff Extra Power bolt spring must be used in .17 Mach 2 conversions; use the factory spring and guide rod when installing bolt handle on 10/22® Magnum rifles converted to .17 HMR.

## Attributes

- Name: [POWER CUSTOM 10/22® BOLT HANDLE FOR .17 CONVERSION](#)
- Manufacturer: [POWER CUSTOM](#)
- Product no.: 713000074

# RUGER® 10/22® .17 RIMFIRE HEAVY BOLT HANDLE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the RUGER® 10/22® .17 Rimfire Heavy Bolt Handle by POWER CUSTOM. This product is designed to enhance the performance of your 10/22® rifle when converted for .17 rimfire cartridges. It is important to read and understand these safety instructions to ensure safe and effective use.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure the firearm is unloaded before installing or handling the bolt handle.
- Use this product only with compatible models as specified.
- Follow all local laws and regulations regarding firearm modifications and use.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the bolt handle for wear or damage before each use.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Ensure that the bolt handle is properly installed before using the firearm.
- Do not exceed the recommended pressure limits for .17 rimfire cartridges.
- Use the provided stainless steel guide rod and Wolff Extra Power bolt spring for .17 Mach 2 conversions.
- For 10/22® Magnum rifles converted to .17 HMR, use the factory spring and guide rod.
- Always wear appropriate eye and ear protection when shooting.
- Do not attempt to modify the bolt handle or any associated components.
- In the event of a malfunction, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and safe.
- Remove the existing bolt handle from the rifle.
- Install the RUGER® 10/22® .17 Rimfire Heavy Bolt Handle by aligning it with the bolt mechanism.
- Securely fasten the handle according to the manufacturer's specifications.
- Replace the factory spring and guide rod with the included components if converting to .17 Mach 2.

### 2. Usage:

- Once installed, test the functionality of the bolt handle before firing.
- Ensure the bolt closes completely and securely.
- Regularly check the bolt handle during use for any signs of wear or malfunction.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer in use, do not discard it in regular waste.
- Contact a local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the RUGER® 10/22® .17 Rimfire Heavy Bolt Handle, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure that you are following the latest safety guidelines and product updates.

By following these instructions and safety guidelines, you can ensure a safe and enjoyable experience with your RUGER® 10/22® .17 Rimfire Heavy Bolt Handle. Thank you for your attention to safety.
