Safety Instruction Guide for S&W Competition Hand Power Custom "L" Frame Hand

Introduction

Thank you for choosing the S&W Competition Hand Power Custom "L" Frame Hand. This guide provides important safety information and instructions to ensure the safe use and installation of your product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your S&W revolver before using this product.
- Always handle firearms with care, treating every firearm as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for signs of wear or damage. Do not use if damaged.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Report any unsafe conditions or product malfunctions to the relevant authorities.

Specific Safety Precautions for Use

- This product is designed for use with S&W "K", "L", and "N" frame revolvers only. Do not use with other models.
- Gunsmith fitting is required for installation. Ensure that a qualified gunsmith performs the fitting.
- Avoid excessive force during installation to prevent damage to the product or the firearm.
- Be aware of potential pinch points during installation and usage. Keep fingers and other body parts clear.
- Do not attempt to modify the product in any way. Unauthorized modifications may lead to unsafe conditions.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including appropriate wrenches and screwdrivers.

2. Installation:

- Remove the existing hand from the revolver according to the manufacturer's instructions.
- Align the new S&W Competition Hand with the revolver's cylinder.
- Have a qualified gunsmith fit the oversized dimensions to ensure proper function. This may involve machining or grinding to achieve the correct fit.
- Once fitted, reassemble the revolver according to the manufacturer's specifications.

3. Usage:

- After installation, test the functionality of the revolver in a safe environment.
- Check cylinder timing to ensure proper operation. If issues arise, consult a qualified gunsmith.
- Always follow standard firearm safety practices during use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product reaches the end of its life, dispose of it in a manner that complies with local waste

management regulations.

- Do not dispose of in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product concerns, please reach out to your local EU contact point or authorized dealer.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can help ensure a safe and enjoyable experience with your S&W Competition Hand Power Custom "L" Frame Hand. Thank you for your attention to these important safety measures.
