

SERIES I STONING FIXTURE - POWER CUSTOM FIXTURE COMPLETE, HP MODEL FITS BROWNING HIGH POWER

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

Ultimate For Hammer & Sear Work; Accurate, Repeatable Setup

Save time and money by providing repeatable setup, accurate, measurable adjustments and suitability for many guns. The complete fixtures includes an adapter for the specific gun listed. Purchase more adapters separately for other guns; many jigs combined in one fixture! To use, mount hammer or trigger/sear on adapter, set and lock at correct index mark as instructed. Set stoning angle by counting "clicks" specified to raise or lower elevator and stoning guide. Lock guide, place stone on both roller and hammer or trigger/sear, and stone as normal. Easily adjustable to allow variations in stoning angle for exact, desired trigger pull weight. Same tool Ron Power uses in his own shop. Complete with one adapter and very detailed instructions written by Ron. You will also need a #10 Machinist's Clamp and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones (listed elsewhere). ab

Safety Instruction Guide for SERIES I STONING FIXTURE POWER CUSTOM FIXTURE COMPLETE, HP MODEL FITS BROWNING HIGH POWER

Introduction

Thank you for choosing the SERIES I STONING FIXTURE POWER CUSTOM FIXTURE COMPLETE. This guide provides essential safety instructions and usage information to ensure the safe operation of the product. Please read this guide carefully before use to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Ensure that the fixture is used only for its intended purpose, which is to provide a stable and accurate setup for stoning various firearms.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this fixture.
- Keep the work area clean and welllit to prevent accidents.
- Store the fixture and all its components in a dry, secure place away from children and unauthorized users.
- Regularly inspect the fixture and its components for wear and damage. Do not use if any parts are damaged or worn out.
- Follow all local laws and regulations regarding the handling and modification of firearms.

Specific Safety Precautions for Use

- **Hazard Identification:** The use of this fixture involves sharp tools and moving parts that can cause injury if not handled properly.
- **Avoid Pinch Points:** Be cautious of moving parts when adjusting the fixture. Keep hands and other body parts clear of pinch points.
- **Stable Setup:** Ensure that the fixture is mounted securely before use to prevent it from moving or tipping during operation.
- **Proper Tool Use:** Use only the recommended tools and stones as specified in the product description. Do not use substitutes that may not fit or function correctly.
- **Child Safety:** This product is not intended for use by children. Keep it out of reach of minors.

Instructions for Installation and Usage

1. Setup:

- Mount the fixture on a stable workbench using a #10 Machinist's Clamp to ensure it is secure.
- Make sure the work area is clear of any obstructions.

2. Using the Fixture:

- Select the appropriate adapter for your firearm model and mount it securely on the fixture.
- Attach the hammer or trigger/sear to the adapter as per the instructions provided.
- Set and lock the correct index mark on the fixture.
- Adjust the stoning angle by counting the specified "clicks" to raise or lower the elevator and stoning guide.
- Lock the guide in place.

3. Stoning Process:

- Place the stone on both the roller and the hammer or trigger/sear.
- Proceed to stone as normal, ensuring you maintain a steady hand and controlled pressure.
- Regularly check the trigger pull weight to ensure it meets your desired specifications.

4. **PostUse:**

- After use, disassemble the fixture and clean all components.
- Store the fixture and its parts in a safe location.

Disposal Instructions

- Dispose of the fixture and any worn or unusable parts in accordance with your local regulations.
- Do not dispose of the fixture in regular household waste. Check for recycling options or hazardous waste disposal sites.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please reach out to the appropriate contact as provided on the product packaging or retailer's website.

By following these safety instructions, you can ensure a safe and effective experience while using the SERIES I STONING FIXTURE POWER CUSTOM FIXTURE COMPLETE. Thank you for your attention to these important guidelines.
