

# **SERIES I STONING FIXTURE - POWER CUSTOM FIXTURE COMPLETE, 45 MODEL FITS COLT GOVT.**

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

## **Ultimate For Hammer & Sear Work; Accurate, Repeatable Setup**

Save time and money by providing repeatable setup, accurate, measurable adjustments and suitability for many guns. The complete fixtures includes an adapter for the specific gun listed. Purchase more adapters separately for other guns; many jigs combined in one fixture! To use, mount hammer or trigger/sear on adapter, set and lock at correct index mark as instructed. Set stoning angle by counting "clicks" specified to raise or lower elevator and stoning guide. Lock guide, place stone on both roller and hammer or trigger/sear, and stone as normal. Easily adjustable to allow variations in stoning angle for exact, desired trigger pull weight. Same tool Ron Power uses in his own shop. Complete with one adapter and very detailed instructions written by Ron. You will also need a #10 Machinist's Clamp and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones (listed elsewhere). ab

# **Safety Instruction Guide for SERIES I STONING Fixture Power Custom Fixture Complete, 45 Model Fits Colt Govt**

## **Introduction**

Thank you for purchasing the SERIES I STONING FIXTURE POWER CUSTOM FIXTURE COMPLETE. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the fixture.

## **General Safety Guidelines**

- Ensure that the fixture is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Always inspect the fixture and its components for any signs of damage or wear before use.
- Keep the fixture out of reach of children and vulnerable individuals to prevent accidental injury.
- Use personal protective equipment (PPE) such as safety glasses and gloves while operating the fixture to protect against debris and sharp edges.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

### **• Hazard Identification:**

- Risk of injury from sharp tools and moving parts.
- Potential for eye injuries from flying debris.
- Risk of electric shock if using power tools in conjunction with the fixture.

### **• Avoiding Hazards:**

- Always secure the fixture on a stable surface before use.
- Do not attempt to modify or alter the fixture in any way.
- Ensure that all tools and components are properly secured before beginning work.
- Do not exceed the recommended stoning angle or weight limits as specified in the instructions.

### **• Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that anyone using the fixture has received proper training and understands how to operate it safely.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary tools and materials, including a #10 Machinist's Clamp and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones.
- Ensure that the workspace is clean and welllit.

### **2. Mounting the Fixture:**

- Securely mount the fixture to a stable work surface using a clamp.

- Ensure that the fixture is level and positioned correctly for use.

### **3. Using the Fixture:**

- Attach the hammer or trigger/sear to the adapter.
- Set and lock the component at the correct index mark as instructed in the manual.
- Adjust the stoning angle by counting the specified “clicks” to raise or lower the elevator and stoning guide.
- Lock the guide in place.
- Place the stone on both the roller and the hammer or trigger/sear.
- Perform the stoning process as you would normally, ensuring to follow all safety precautions.

### **4. PostUse Care:**

- After use, clean the fixture and tools to remove any debris.
- Store the fixture and all components in a safe, dry location.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the fixture is no longer usable, ensure that it is disposed of in accordance with local regulations for hazardous waste.
- Do not throw the fixture in regular household waste.

## **Contact Information for Further Support**

For any inquiries or support regarding the SERIES I STONING FIXTURE POWER CUSTOM FIXTURE COMPLETE, please refer to the manufacturer's website or customer service resources for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your SERIES I STONING FIXTURE POWER CUSTOM FIXTURE COMPLETE. Thank you for your attention to safety.
