

SERIES I STONING FIXTURE - POWER CUSTOM FIXTURE COMPLETE, MODEL BH FITS RUGER® SINGLE ACTION

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

Ultimate For Hammer & Sear Work; Accurate, Repeatable Setup

Save time and money by providing repeatable setup, accurate, measurable adjustments and suitability for many guns. The complete fixtures includes an adapter for the specific gun listed. Purchase more adapters separately for other guns; many jigs combined in one fixture! To use, mount hammer or trigger/sear on adapter, set and lock at correct index mark as instructed. Set stoning angle by counting "clicks" specified to raise or lower elevator and stoning guide. Lock guide, place stone on both roller and hammer or trigger/sear, and stone as normal. Easily adjustable to allow variations in stoning angle for exact, desired trigger pull weight. Same tool Ron Power uses in his own shop. Complete with one adapter and very detailed instructions written by Ron. You will also need a #10 Machinist's Clamp and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones (listed elsewhere). ab

Safety Instruction Guide for SERIES I STONING FIXTURE POWER CUSTOM FIXTURE COMPLETE, MODEL BH FITS RUGER® SINGLE ACTION

Introduction

Thank you for choosing the SERIES I STONING FIXTURE POWER CUSTOM FIXTURE COMPLETE. This product is designed to enhance your efficiency and accuracy in stoning operations for Ruger® single action firearms. To ensure your safety and the safety of others, please read and follow these safety instructions carefully before using the product.

General Safety Guidelines

- Always use the fixture in a wellventilated area.
- Keep the fixture and tools out of reach of children and vulnerable individuals.
- Inspect the fixture and all components for damage before each use.
- Do not use the fixture if any part is damaged or missing.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Follow all local laws and regulations regarding firearm modifications and use.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before mounting any components on the fixture.
- Do not operate the fixture while under the influence of drugs or alcohol.
- Be cautious when adjusting the stoning angle to avoid pinching fingers or causing injury.
- Always maintain a clear workspace to prevent accidents.
- Use the fixture only for its intended purpose, as described in the product instructions.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components, including the SERIES I STONING FIXTURE, the specific adapter for your Ruger® model, a #10 Machinist's Clamp, and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones.
- Ensure your workspace is clean and welllit.

2. Mounting the Firearm

- Unload the firearm completely.
- Securely mount the hammer or trigger/sear onto the adapter.
- Lock the adapter at the correct index mark as instructed in the detailed instructions provided.

3. Setting the Stoning Angle

- Adjust the stoning angle by counting the "clicks" as specified in the instructions to raise or lower the elevator and stoning guide.
- Lock the guide in place once the desired angle is achieved.

4. Stoning Process

- Place the stone on both the roller and hammer or trigger/sear.
- Proceed with the stoning process as normal, ensuring to maintain a steady hand and focus.

5. PostUse Care

- Once stoning is complete, carefully remove the firearm and all components from the fixture.
- Clean the fixture and store it in a safe location.

Disposal Instructions

- Dispose of any damaged components in accordance with local waste disposal regulations.
- Do not dispose of the fixture or its components in household waste. Instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the SERIES I STONING FIXTURE, please refer to the detailed instructions provided with the product or consult with a qualified firearms technician.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the SERIES I STONING FIXTURE. Your safety is our priority, and we appreciate your commitment to responsible firearm maintenance.
