

SERIES I STONING FIXTURE - POWER CUSTOM FIXTURE COMPLETE, MODEL 10/22® FITS RUGER® 10/22®

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

Ultimate For Hammer & Sear Work; Accurate, Repeatable Setup

Save time and money by providing repeatable setup, accurate, measurable adjustments and suitability for many guns. The complete fixtures includes an adapter for the specific gun listed. Purchase more adapters separately for other guns; many jigs combined in one fixture! To use, mount hammer or trigger/sear on adapter, set and lock at correct index mark as instructed. Set stoning angle by counting "clicks" specified to raise or lower elevator and stoning guide. Lock guide, place stone on both roller and hammer or trigger/sear, and stone as normal. Easily adjustable to allow variations in stoning angle for exact, desired trigger pull weight. Same tool Ron Power uses in his own shop. Complete with one adapter and very detailed instructions written by Ron. You will also need a #10 Machinist's Clamp and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones (listed elsewhere). ab

Safety Instruction Guide for SERIES I STONING FIXTURE POWER CUSTOM FIXTURE COMPLETE, MODEL 10/22® FITS RUGER® 10/22®

Introduction

Thank you for purchasing the SERIES I STONING FIXTURE POWER CUSTOM FIXTURE COMPLETE, designed specifically for the RUGER® 10/22®. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this manual carefully before using the fixture.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the stoning fixture. Follow all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. It is designed for adult use only.
- **EU Contact Point:** For safety inquiries, please refer to the designated contact provided by your retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Personal Protective Equipment:** Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the fixture.
- **Workspace Safety:** Ensure your workspace is clean and free of clutter to prevent accidents.
- **Handling:** Handle the fixture with care. Avoid dropping or applying excessive force that could damage the fixture or cause injury.
- **Stability:** Ensure the fixture is securely mounted before use to prevent it from moving unexpectedly.
- **Tool Compatibility:** Only use the fixture with compatible tools and adapters as specified in the product details.
- **Training:** Ensure that anyone using this fixture is properly trained in its use and understands the safety precautions.

Instructions for Installation and Usage

1. Installation:

- Place the fixture on a stable work surface.
- Use a #10 Machinist's Clamp to secure the fixture in place.
- Ensure that the fixture is level and stable before proceeding.

2. Using the Fixture:

- **Mounting:**
 - Attach the hammer or trigger/sear to the adapter as instructed.
 - Set and lock the component at the correct index mark.
- **Adjusting the Stoning Angle:**
 - Adjust the stoning angle by counting the specified "clicks" to raise or lower the elevator and stoning guide.
- **Locking the Guide:**

- Once the angle is set, lock the guide in place.
- **Stoning Process:**
 - Place the stone on both the roller and hammer or trigger/sear.
 - Proceed to stone as normal, ensuring consistent pressure and angle.
- **Adjustments:**
 - The fixture is easily adjustable to allow for variations in stoning angle, ensuring the desired trigger pull weight is achieved.

Disposal Instructions

- **Disposal of the Fixture:** When the fixture reaches the end of its life, dispose of it in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle the fixture or its components according to local recycling guidelines to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the use of the SERIES I STONING FIXTURE or for safety inquiries, please refer to the contact information provided by your retailer or manufacturer.

By following these guidelines, you can ensure a safe and effective experience with the SERIES I STONING FIXTURE POWER CUSTOM FIXTURE COMPLETE. Thank you for your attention to safety!
