

# SERIES I STONING FIXTURE - POWER CUSTOM ROLLER GUIDE

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

## Ultimate For Hammer & Sear Work; Accurate, Repeatable Setup

Save time and money by providing repeatable setup, accurate, measurable adjustments and suitability for many guns. The complete fixtures includes an adapter for the specific gun listed. Purchase more adapters separately for other guns; many jigs combined in one fixture! To use, mount hammer or trigger/sear on adapter, set and lock at correct index mark as instructed. Set stoning angle by counting "clicks" specified to raise or lower elevator and stoning guide. Lock guide, place stone on both roller and hammer or trigger/sear, and stone as normal. Easily adjustable to allow variations in stoning angle for exact, desired trigger pull weight. Same tool Ron Power uses in his own shop. Complete with one adapter and very detailed instructions written by Ron. You will also need a #10 Machinist's Clamp and 6"x½"x½" stones (listed elsewhere). ab

# Safety Instruction Guide for SERIES I STONING FIXTURE POWER CUSTOM ROLLER GUIDE

## Introduction

Thank you for choosing the SERIES I STONING FIXTURE POWER CUSTOM ROLLER GUIDE. This guide provides essential safety instructions and usage guidelines to ensure your experience is safe and effective. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions to ensure safe operation.
- Keep the fixture and all components out of reach of children and vulnerable individuals.
- Inspect the fixture for any damage before each use. Do not use if damaged.
- Use the fixture only for its intended purpose as described in this manual.
- Ensure a clean and organized workspace to avoid accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the fixture.
- Be aware of your surroundings and avoid distractions while operating the fixture.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the fixture is securely mounted before use to prevent movement during operation.
- Use the correct adapter for your specific gun. Do not attempt to use the fixture without the appropriate adapter.
- Always lock the guide in place before beginning the stoning process.
- When adjusting the stoning angle, count the "clicks" carefully to avoid incorrect settings.
- Avoid placing your hands near moving parts while the fixture is in operation.
- Never exceed the recommended weight limits for the stones used with the fixture.
- Store the fixture in a dry and safe location when not in use.

## Instructions for Installation and Usage

### 1. Setup:

- Mount the hammer or trigger/sear on the appropriate adapter.
- Set and lock the adapter at the correct index mark as instructed.
- Adjust the stoning angle by counting the specified "clicks" to raise or lower the elevator and stoning guide.

### 2. Stoning Process:

- Lock the guide in place.
- Place the stone on both the roller and hammer or trigger/sear.
- Proceed with the stoning process as normal, ensuring that your hands are clear of moving parts.

### 3. Adjustments:

- If variations in stoning angle are needed, make adjustments slowly and carefully.
- Always verify the trigger pull weight after making adjustments to ensure it meets your desired specifications.

#### **4. Cleaning and Maintenance:**

- After each use, clean the fixture and components to remove any debris.
- Inspect all parts for wear and tear, and replace any damaged components immediately.

### **Disposal Instructions**

- When disposing of the fixture or its components, follow local regulations for hazardous waste disposal.
- Ensure that all materials are disposed of in an environmentally friendly manner.
- If in doubt, consult your local waste management authority for guidance on proper disposal methods.

### **Contact Information for Further Support**

For any inquiries or additional support regarding the SERIES I STONING FIXTURE POWER CUSTOM ROLLER GUIDE, please refer to the contact information provided with your product purchase.

Thank you for prioritizing safety and following these guidelines. Enjoy using your SERIES I STONING FIXTURE POWER CUSTOM ROLLER GUIDE!
