

# **SERIES I STONING FIXTURE - POWER CUSTOM RH ADAPTER, FITS RUGER® REDHAWK®/SUP REDHAWK® GP-100®**

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

## **Ultimate For Hammer & Sear Work; Accurate, Repeatable Setup**

Save time and money by providing repeatable setup, accurate, measurable adjustments and suitability for many guns. The complete fixtures includes an adapter for the specific gun listed. Purchase more adapters separately for other guns; many jigs combined in one fixture! To use, mount hammer or trigger/sear on adapter, set and lock at correct index mark as instructed. Set stoning angle by counting "clicks" specified to raise or lower elevator and stoning guide. Lock guide, place stone on both roller and hammer or trigger/sear, and stone as normal. Easily adjustable to allow variations in stoning angle for exact, desired trigger pull weight. Same tool Ron Power uses in his own shop. Complete with one adapter and very detailed instructions written by Ron. You will also need a #10 Machinist's Clamp and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones (listed elsewhere). ab

# Safety Instruction Guide for SERIES I STONING FIXTURE POWER CUSTOM RH ADAPTER

## Introduction

Thank you for choosing the SERIES I STONING FIXTURE POWER CUSTOM RH ADAPTER, designed for use with Ruger® Redhawk®/Super Redhawk® and GP100® firearms. This guide provides essential safety instructions, usage guidelines, and contact information for further support. Please read this document carefully before using the product to ensure safe and effective operation.

## General Safety Guidelines

- Ensure that the stoning fixture is used only by individuals who are familiar with firearms and their handling.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the stoning fixture.
- Keep the work area clean and free from distractions to prevent accidents.
- Store the fixture and all components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the fixture and its components for wear or damage. Do not use damaged equipment.
- Follow all local laws and regulations regarding the use and modification of firearms.

## Specific Safety Precautions for Use

- Only use the stoning fixture with compatible firearms as specified in the product description.
- Ensure that the firearm is unloaded before mounting it onto the stoning fixture.
- Do not attempt to adjust or modify the fixture while it is in use.
- Be cautious of sharp edges on the stoning guide and stones; handle with care to avoid cuts or injuries.
- Avoid placing hands or fingers near the moving parts during operation.
- Ensure that the stoning angle is set correctly to prevent excessive wear or damage to the firearm components.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials, including a #10 Machinist's Clamp and 6"x½"x½" stones.
- Ensure that the work area is clean and welllit.

### 2. Mounting the Firearm

- Verify that the firearm is unloaded.
- Attach the hammer or trigger/sear to the adapter securely.
- Lock the adapter at the correct index mark as instructed.

### 3. Setting the Stoning Angle

- Adjust the elevator and stoning guide by counting the specified "clicks" to achieve the desired stoning angle.
- Lock the guide in place once the correct angle is set.

### 4. Stoning Process

- Place the stone on both the roller and hammer or trigger/sear.

- Perform the stoning process as per standard practices, ensuring a smooth and even application.

## 5. PostUse Care

- Clean the fixture and components after use to maintain performance.
- Store the fixture and all components in a safe and secure location.

## Disposal Instructions

- Dispose of any worn or damaged components in accordance with local regulations.
- Do not dispose of the fixture in regular household waste. Instead, consult local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding the SERIES I STONING FIXTURE POWER CUSTOM RH ADAPTER, including safety concerns or product support, please reach out to the appropriate contact point in your region. Ensure to have your product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective experience with the SERIES I STONING FIXTURE POWER CUSTOM RH ADAPTER. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
