

# SERIES I STONING FIXTURE - POWER CUSTOM BH ADAPTER, FITS RUGER® SINGLE ACTIONS

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

## Ultimate For Hammer & Sear Work; Accurate, Repeatable Setup

Save time and money by providing repeatable setup, accurate, measurable adjustments and suitability for many guns. The complete fixtures includes an adapter for the specific gun listed. Purchase more adapters separately for other guns; many jigs combined in one fixture! To use, mount hammer or trigger/sear on adapter, set and lock at correct index mark as instructed. Set stoning angle by counting "clicks" specified to raise or lower elevator and stoning guide. Lock guide, place stone on both roller and hammer or trigger/sear, and stone as normal. Easily adjustable to allow variations in stoning angle for exact, desired trigger pull weight. Same tool Ron Power uses in his own shop. Complete with one adapter and very detailed instructions written by Ron. You will also need a #10 Machinist's Clamp and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones (listed elsewhere). ab

# Safety Instruction Guide for SERIES I STONING FIXTURE POWER CUSTOM BH ADAPTER

## Introduction

Thank you for choosing the SERIES I STONING FIXTURE POWER CUSTOM BH ADAPTER, designed specifically for Ruger® single actions. This guide provides essential safety instructions and usage information to ensure safe and effective operation of the product. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the stoning fixture.
- Keep the stoning fixture out of reach of children and vulnerable individuals.
- Inspect the fixture and all components before use to ensure they are in good condition and free from damage.
- Do not modify the product in any way that could affect its safety or performance.
- If you experience any issues or have concerns about the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from moving parts during operation.
- Risk of injury from improper handling of tools and stones.
- Risk of damage to the firearm if not used correctly.

### • Avoiding Hazards:

- Always ensure the firearm is unloaded before attaching it to the stoning fixture.
- Use the stoning fixture in a welllit and clutterfree workspace.
- Follow all instructions carefully when setting up and using the fixture.
- Do not exceed the recommended stoning angle or pressure to avoid damaging the tool or the firearm.

## Instructions for Installation and Usage

### 1. Setup:

- Mount the hammer or trigger/sear onto the adapter.
- Set and lock the adapter at the correct index mark as instructed.
- Adjust the stoning angle by counting the specified "clicks" to raise or lower the elevator and stoning guide.

### 2. Operation:

- Lock the guide in place.
- Place the stone on both the roller and the hammer or trigger/sear.
- Perform the stoning process as normal, ensuring to maintain the correct angle and pressure.
- Adjust the stoning angle as needed to achieve the desired trigger pull weight.

### 3. PostUse:

- After use, clean the stoning fixture and store it in a safe, dry place.
- Ensure all components are returned to their designated storage to prevent loss or damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility or follow specific disposal guidelines provided by local authorities.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of the SERIES I STONING FIXTURE POWER CUSTOM BH ADAPTER, please refer to the manufacturer's website or contact the customer service department directly.

Thank you for your attention to safety and for choosing our product.
