Safety Instruction Guide for SERIES II Stoning Fixture Power Custom M14 Fixture with Adapter

Introduction

Thank you for choosing the SERIES II Stoning Fixture Power Custom M14 Fixture with Adapter. This product is designed to provide a precise and repeatable method for achieving a crisp trigger pull on semiautomatic firearms. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use.

General Safety Guidelines

- Always read and understand the instruction manual before using the product.
- Ensure that all safety precautions are followed during installation and usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the stoning fixture and its components for signs of wear or damage.
- If you notice any defects or malfunctions, discontinue use immediately and contact support.
- Only use the Series II India Stone or Series II Hard Arkansas Stone as specified.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the fixture.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the stoning fixture.
- Verify that the hammer is securely clamped in place before beginning any stoning operations.
- Avoid placing fingers or hands near moving parts during operation.
- Do not exceed the recommended pressure while stoning to avoid damaging the hammer or fixture.
- Always work in a wellventilated area to avoid inhaling dust particles generated during the stoning process.
- Follow all local laws and regulations regarding the modification and maintenance of firearms.

Instructions for Installation and Usage

1. Unpacking the Product

- Carefully remove the stoning fixture and all components from the packaging.
- Check that all items listed in the product specifications are included.

2. Setting Up the Fixture

- Place the stoning fixture on a stable work surface.
- Ensure that the indexing elevator column is properly aligned and secured.

3. Attaching the Adapter

- Select the appropriate adapter based on the firearm being used (e.g., .154" Adapter for AR15/M16 or .173" Adapter for Colt Commercial AR15).
- Attach the adapter to the indexing elevator column, ensuring it is securely fastened.

4. Clamping the Hammer

- Position the hammer in the correct orientation within the fixture.
- Use the hammer and sear clamp to secure the hammer in place.

5. Adjusting the Hammer Angle

- Adjust the fixture to set the desired hammer angle according to the shooter's needs.

6. Stoning the Hammer

- Using the Series II India Stone or Series II Hard Arkansas Stone, carefully stone the hammer while maintaining a consistent pressure.
- Regularly check the hammer's progress to ensure a clean and even finish.

7. Final Inspection

- After stoning, inspect the hammer for any irregularities or rough edges.
- Clean the fixture and surrounding area to remove any debris.

Disposal Instructions

- Dispose of any waste materials, including used stones and dust, in accordance with local regulations.
- Do not dispose of the product in household waste. Follow local guidelines for disposal of tools and equipment.

Contact Information for Further Support

For any questions or concerns regarding the use of the SERIES II Stoning Fixture Power Custom M14 Fixture with Adapter, please refer to the manufacturer's support resources or contact your local dealer for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your stoning fixture. Thank you for your attention to these important safety guidelines.
