

SERIES I STONING FIXTURE - POWER CUSTOM M-14 ADAPTER ONLY, FITS M1 GARAND, M14 SEAR ONLY

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

Ultimate For Hammer & Sear Work; Accurate, Repeatable Setup

Save time and money by providing repeatable setup, accurate, measurable adjustments and suitability for many guns. The complete fixtures includes an adapter for the specific gun listed. Purchase more adapters separately for other guns; many jigs combined in one fixture! To use, mount hammer or trigger/sear on adapter, set and lock at correct index mark as instructed. Set stoning angle by counting "clicks" specified to raise or lower elevator and stoning guide. Lock guide, place stone on both roller and hammer or trigger/sear, and stone as normal. Easily adjustable to allow variations in stoning angle for exact, desired trigger pull weight. Same tool Ron Power uses in his own shop. Complete with one adapter and very detailed instructions written by Ron. You will also need a #10 Machinist's Clamp and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones (listed elsewhere). ab

Safety Instructions for the SERIES I STONING FIXTURE POWER CUSTOM M14 ADAPTER ONLY

Introduction

Thank you for purchasing the SERIES I STONING FIXTURE POWER CUSTOM M14 ADAPTER ONLY. This product is designed to enhance your stoning process while ensuring safety and precision. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves to prevent injuries.
- Ensure that your workspace is clean and free of hazards.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the fixture is securely mounted before use to prevent movement during operation.
- Be cautious of sharp edges on the stoning guide and stone; handle with care.
- Do not exceed the recommended stoning angle or pressure to avoid damaging the fixture or the firearm components.
- Always lock the guide in place before beginning the stoning process.
- Avoid distractions while using the fixture to maintain focus and control.
- If you are unsure about any aspect of the product's use, seek assistance or guidance from a knowledgeable individual.

Instructions for Installation and Usage

1. Installation:

- Unpack the SERIES I STONING FIXTURE and check for all components, including the adapter.
- Securely mount the fixture to a stable work surface using a #10 Machinist's Clamp.
- Ensure that the fixture is level and steady before proceeding.

2. Using the Fixture:

- Attach the hammer or trigger/sear onto the adapter.
- Set and lock the adapter at the correct index mark as instructed.
- Adjust the stoning angle by counting the specified "clicks" to raise or lower the elevator and stoning guide.
- Lock the stoning guide in place to prevent movement.
- Place the stone on both the roller and the hammer or trigger/sear.
- Perform the stoning process as you normally would, ensuring even pressure and consistent motion.

3. Adjustments:

- The fixture allows for easy adjustments to achieve the desired trigger pull weight.
- Make small incremental adjustments and test the trigger pull after each change.

Disposal Instructions

- Dispose of the product and any components in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Check with local authorities for proper disposal methods for tools and equipment.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please contact the manufacturer or retailer from whom you purchased the product.

By following these guidelines and instructions, you can ensure a safe and effective experience with the SERIES I STONING FIXTURE POWER CUSTOM M14 ADAPTER ONLY. Thank you for prioritizing safety in your use of this product.
