# Safety Instruction Guide for GAS BLOCK ASSEMBLY FIXTURE

## Introduction

Thank you for choosing the GAS BLOCK ASSEMBLY FIXTURE by Precision Reflex. This product is specifically designed to assist in the installation of the gas tube and the insertion of the roll pin into the gas block. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the fixture in a wellventilated area.
- Ensure that the work area is clean and free from any obstructions.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the fixture.
- Keep the fixture out of reach of children and vulnerable individuals.
- Do not use the fixture for any purpose other than its intended use.
- Regularly inspect the fixture for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- Ensure the gas block is securely held in place before attempting to insert the roll pin.
- Use the roll pin starter punch carefully to avoid injury.
- Do not apply excessive force when using the roll pin starter, as this may damage the fixture or cause injury.
- If the fixture becomes damaged or malfunctions, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials, including the GAS BLOCK ASSEMBLY FIXTURE, roll pin starter punch, and roll pin.
- Ensure that the gas block is clean and free from debris.

### 2. Setting Up the Fixture

- Place the gas block into the fixture, ensuring that it is securely held in place.
- Verify that the roll pin starter punch is ready for use.

### 3. Inserting the Roll Pin

- Align the roll pin with the hole in the gas block.
- Carefully position the roll pin starter punch against the roll pin.
- Gently tap the starter punch with a hammer to begin inserting the roll pin.
- Continue tapping until the roll pin is fully inserted.

### 4. Final Checks

- Inspect the gas block to ensure that the roll pin is properly seated.
- Remove the gas block from the fixture and clean the area.

## **Disposal Instructions**

- Dispose of the GAS BLOCK ASSEMBLY FIXTURE in accordance with local regulations.
- Do not dispose of the fixture in household waste.
- If the fixture is damaged beyond repair, consider recycling materials where possible.

By following these safety instructions, you can ensure a safe and effective experience with your GAS BLOCK ASSEMBLY FIXTURE. Thank you for your attention to safety.
