# Safety Instruction Guide for SIG SAUER 320 Striker Reset Spring

## Introduction

Thank you for choosing the SIG SAUER 320 Striker Reset Spring. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** This product is designed to meet safety standards for nonfood items. Always ensure that you follow the safety guidelines during use.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices and remedies at no cost if the product is deemed dangerous.
- **Online Shopping:** If purchased online, this product is subject to the same safety requirements as those bought in physical stores.
- **Special Consumer Focus:** Extra precautions are necessary for vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay informed about potential safety alerts by checking the EU Safety Gate platform regularly.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction.
  - Use of defective or damaged springs can cause injury or damage.
- **Avoiding Hazards:**
  - Always inspect the spring for damage before installation.
  - Ensure that the firearm is unloaded and pointed in a safe direction during installation.
  - Follow all manufacturer instructions for installation and operation.
- **Age Specific Warnings:**
  - This product is intended for use by individuals aged 18 and older. Keep it away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch and hammer.

### 2. Installation Steps:

- Remove the slide from the frame of the P320.
- Locate the striker assembly within the slide.
- Carefully remove the old striker reset spring using a punch.
- Insert the new SIG SAUER 320 Striker Reset Spring into the designated slot.
- Ensure the spring is seated properly and securely.

### 3. Usage Instructions:

- After installation, reassemble the slide onto the frame.
- Conduct a function check to ensure proper operation.
- Always handle the firearm safely and in accordance with applicable laws and regulations.

## **Disposal Instructions**

- Dispose of any old or damaged springs in accordance with local regulations.
- Do not dispose of springs in regular household waste. Instead, contact local waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SIG SAUER 320 Striker Reset Spring, please refer to the official SIG SAUER website or contact your local authorized dealer for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
