Safety Instruction Guide for AR15 STAR Safety Selector

Introduction

Thank you for choosing the AR15 STAR Safety Selector from Rock River Arms. This product is designed to enhance the safety and usability of your AR15 firearm. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure the safety selector is in the "Safe" position when not in use.
- Store firearms securely and out of reach of children and unauthorized persons.
- Regularly inspect the safety selector and other components of your firearm for wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- **Glove Use:** The round thumb pad is designed for easy operation, especially when wearing gloves. Ensure gloves are in good condition to maintain grip.
- **Check Functionality:** Before using the safety selector, check that it operates smoothly and reliably. If you encounter resistance or it feels loose, do not use the firearm until it has been inspected by a qualified gunsmith.
- **Avoid Modifications:** Do not attempt to modify or alter the safety selector. Any changes can compromise safety and functionality.
- **Use with SemiAuto AR15:** This safety selector is intended for use with semiautomatic AR15 models only. Do not use it on other types of firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing safety selector by following the manufacturer's instructions.
- Insert the AR15 STAR Safety Selector into the designated slot, ensuring it is seated properly.
- Confirm that the selector moves freely between the "Safe" and "Fire" positions.
- Reassemble any components removed during installation.

2. Usage:

- To engage the safety, rotate the selector to the "Safe" position. This will prevent the firearm from firing.
- To disengage the safety, rotate the selector to the "Fire" position. Ensure you are prepared to fire before doing this.
- Always verify that the firearm is in the "Safe" position when not in use.

Disposal Instructions

- Dispose of the AR15 STAR Safety Selector in accordance with local regulations.
- Do not dispose of it in regular household waste. Instead, contact your local waste management authority for proper disposal methods.

- Ensure that the product is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the AR15 STAR Safety Selector, please consult the manufacturer's website or contact their customer service for assistance.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 STAR Safety Selector. Always stay informed about safety practices and local regulations regarding firearm ownership and usage. Thank you for your attention to safety.
