RCBS Deluxe Scale Check Weight Set Safety Instructions

Introduction

Thank you for choosing the RCBS Deluxe Scale Check Weight Set. This product is designed to help handloaders ensure the accuracy of their scales when measuring large rifle cartridges and sorting bullets and cases by weight. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle weights with care to avoid dropping or damaging them.
- Keep the weights out of reach of children and pets.
- Regularly check your scale for accuracy to maintain safety during use.
- If you notice any damage to the weights or the scale, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- When using the RCBS Deluxe Scale Check Weight Set:
 - Use the weights on a stable, flat surface to prevent tipping or falling.
 - Avoid exposure to extreme temperatures or humidity, which may affect the accuracy of the weights.
 - Do not use weights that appear damaged or worn.
 - Use forceps provided in the set to handle weights, minimizing direct contact with your hands.
 - Always ensure that the scale is properly calibrated before use.

Instructions for Installation and Usage

1. Setting Up Your Scale:

- Place your scale on a flat, stable surface.
- Ensure the scale is clean and free from any debris.

2. Calibrating Your Scale:

- Turn on the scale and allow it to warm up as per the manufacturer's instructions.
- Use the 200 grain weight first to calibrate the scale.
- Place the 200 grain weight on the scale and adjust the calibration settings until the scale reads 200 grains.

3. Checking Accuracy:

- After calibrating with the 200 grain weight, check the scale using the other weights in the set.
- Use the following weights for verification:
 - 100 grains (2 weights)
 - 50 grains
 - 20 grains (2 weights)
 - 10 grains
 - 5 grains
 - 1 grain
 - 0.5 grains

- Ensure that the scale accurately reflects the weight of each item.

4. Sorting Bullets and Cases:

- Use the weights to sort bullets and cases by weight as needed.
- Ensure that each weight is handled with care to avoid damage.

5. Storing Weights:

- After use, store the weights in a safe, dry place.
- Keep the weights in their original packaging or a dedicated container to prevent loss or damage.

Disposal Instructions

- Dispose of any damaged weights in accordance with local regulations.
- Ensure that weights are not discarded in a manner that may pose a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the RCBS Deluxe Scale Check Weight Set, please consult the manufacturer's website or customer service.

By following these instructions and guidelines, you can ensure a safe and effective experience with your RCBS Deluxe Scale Check Weight Set. Thank you for your attention to these important safety measures.
