

MATCHMASTER POWDER DISPENSER - RCBS MATCHMASTER POWDER DISPENSER

[Reloading](#) > [Powder Handling](#) > [Powder Measures & Dispensers](#)

The RCBS MatchMaster Powder Dispenser takes powder dispensing and weighing to the next level. Utilizing RCBS's Patent Pending dual tube dispense technology most charges can be thrown in under 20 seconds to 0.10 grain accuracy. Speed and accuracy are not the only things that the MatchMaster delivers. User adjustable powder settings allow the handloader to fine tune their favorite powders, reducing dispense times without affecting accuracy. Adjustable leveling feet allows the unit to easily be leveled on any surface without the need of shimming. Features: 0.04 grain accuracy in match mode Dispense times >20 seconds in standard mode. Match mode requires more time User adjustable powder dispense setting to reduce dispense times Bluetooth compatibility (up to 8 units simultaneously) Patent Pending dual tube dispensing Patent Pending open drain detection Patent Pending powder dispense function Patent Pending bottom drain capability Aluminum Chassis for additional stability

RCBS MatchMaster Powder Dispenser Safety Instruction Guide

Introduction

Thank you for choosing the RCBS MatchMaster Powder Dispenser. This guide provides essential safety instructions to ensure the safe use and maintenance of your powder dispenser. Please read this manual thoroughly before using the product.

General Safety Guidelines

- Ensure that the powder dispenser is used only for its intended purpose.
- Keep the device out of reach of children and vulnerable individuals.
- Regularly inspect the powder dispenser for any signs of damage or wear.
- Do not attempt to repair the device yourself; contact a qualified technician for repairs.
- Always follow local regulations regarding the handling and disposal of gunpowder and related materials.

Specific Safety Precautions for Use

- **Electrical Safety:**
 - Ensure that the device is used in a dry environment.
 - Do not expose the dispenser to water or moisture.
 - Avoid using the device with damaged power cords or plugs.
- **Powder Handling:**
 - Handle all powders with care and follow the manufacturer's guidelines for safe usage.
 - Use the dispenser in a wellventilated area to minimize inhalation of powder particles.
- **Leveling:**
 - Use the adjustable leveling feet to ensure the dispenser is stable before operation.
- **Bluetooth Connectivity:**
 - Ensure that Bluetooth devices are secure and do not interfere with the operation of the dispenser.
- **Calibration:**
 - Regularly calibrate the dispenser to maintain accuracy, especially after moving it or changing powder types.

Instructions for Installation and Usage

Installation

1. Choose a stable and dry surface to place the powder dispenser.
2. Use the adjustable leveling feet to ensure the device is level.
3. Connect the power supply and ensure that the device is properly plugged in.

Usage

1. **Setting Up:**
 - Turn on the device using the power button.
 - Follow the onscreen instructions to select your desired powder settings.
2. **Dispensing Powder:**
 - Load the powder into the dispenser's designated area.
 - Select the desired charge weight and mode (standard or match mode).
 - Press the dispense button to start the dispensing process.
3. **PostUse:**
 - Once dispensing is complete, ensure that all powder is safely contained.
 - Clean the dispenser according to the manufacturer's instructions.

Disposal Instructions

- Dispose of any unused powder according to local regulations and guidelines.
- Do not dispose of the powder dispenser in regular household waste.
- Contact local waste management authorities for proper disposal methods for electronic devices.

Contact Information for Further Support

For any inquiries or support related to the RCBS MatchMaster Powder Dispenser, please refer to the official RCBS website or your local distributor. Always ensure you have the product model and serial number available when seeking assistance.

By following these safety instructions, you can ensure a safe and efficient experience with your RCBS MatchMaster Powder Dispenser. Thank you for your attention to these guidelines.
