Incredibly Smooth Cutting-Greatly Increased Life

PERFECT CUT™ PREMIUM THREE-FLUTE TAPS The Reiff & Nestor Company Perfect Cut™ Premium Tap is a high-quality tool designed for gunsmiths and firearm enthusiasts seeking precise and efficient threading solutions. Crafted from high-speed tool steel, these taps are engineered to deliver exceptional performance and durability. Three-Flute Taps: Distribute tapping stresses over a triangular area, facilitating easy starting and maintaining alignment during hand tapping. They are stronger than two-flute taps, making them suitable for hard or tough steels. Specifications: Material: High-speed tool steel Thread Sizes Available: 6-48 8-40 1/4-22 8-32 Customer Insights: Users of the Reiff & Nestor Company Perfect Cut™ Premium Tap have expressed satisfaction with its performance, noting the precision and quality of the threads produced. The taps have received an average rating of 3.4 out of 5 stars from verified buyers, indicating a generally positive reception. Incorporating the Reiff & Nestor Company Perfect Cut™ Premium Tap into your gunsmithing toolkit ensures reliable and accurate threading, enhancing the quality and longevity of firearm components.

Safety Instruction Guide for PERFECT CUT™ PREMIUM THREEFLUTE TAPS

Introduction

Thank you for choosing the PERFECT CUT™ PREMIUM THREEFLUTE TAP from the Reiff & Nestor Company. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the tap to familiarize yourself with the necessary precautions and procedures.

General Safety Guidelines

- Ensure that the tap is used only for its intended purpose, which is threading in gunsmithing and firearm applications.
- Always inspect the tap for any signs of damage or wear before use. Do not use damaged tools.
- Use appropriate personal protective equipment (PPE) such as safety goggles and gloves when handling the tap.
- Keep the tap out of reach of children and unauthorized users.
- Follow all local regulations and guidelines regarding the use of tools and firearms.

Specific Safety Precautions for Use

- Always ensure that the workpiece is securely clamped before starting the tapping process.
- Use cutting fluid to reduce friction and heat during tapping, which helps in achieving better thread quality.
- Avoid excessive force when tapping to prevent breakage of the tap and damage to the workpiece.
- If the tap becomes stuck, do not force it out. Instead, reverse the rotation gently to free it.
- Store the tap in a safe, dry place when not in use to prevent corrosion and damage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the tap, tap handle, cutting fluid, and a securely clamped workpiece.

2. Tapping Process:

- Apply a small amount of cutting fluid to the tap and the workpiece.
- Insert the tap into the tap handle and align it with the predrilled hole in the workpiece.
- Begin turning the handle slowly and steadily, applying light pressure.
- Maintain alignment and ensure that the tap is perpendicular to the workpiece.
- After a few turns, reverse the tap slightly to break the chips and then continue tapping.
- Once the desired depth is reached, carefully remove the tap by reversing the rotation.

3. PostUse Care:

- Clean the tap after each use to remove any debris or cutting fluid.
- Inspect the tap for any signs of wear or damage before storing it.

Disposal Instructions

- Dispose of any damaged or worn taps in accordance with local regulations for tool disposal.
- Ensure that the tap is not accessible to children or unauthorized individuals during disposal.

Contact Information for Further Support

For any inquiries regarding the safety and use of the PERFECT CUT™ PREMIUM THREEFLUTE TAP, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your PERFECT CUT™ PREMIUM THREEFLUTE TAP. Thank you for your attention to these guidelines, and happy tapping!
