Safety Instruction Guide for BUSHING STORAGE BOX (15) REDDING

Introduction

Thank you for purchasing the Redding Bushing Storage Box (15). This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to avoid potential hazards.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the storage box away from heat sources and direct sunlight to prevent deformation.
- Ensure that the storage box is kept out of reach of children to avoid accidental injury.
- Regularly inspect the storage box for any signs of damage or wear. If damaged, discontinue use and replace.
- If you experience any issues with the product, cease use and contact customer support for assistance.

Specific Safety Precautions for Use

- Do not overload the storage box beyond its capacity of 15 bushings.
- Avoid using the storage box for purposes other than storing bushings, as this may lead to unsafe conditions.
- Ensure that the box is closed securely when not in use to prevent accidental opening.
- Handle the box with care to avoid dropping it, which may cause injury or damage to the product.
- If using in a workshop or similar environment, ensure the area is clean and free of hazards to prevent accidents.

Instructions for Installation and Usage

1. Unpacking the Product

- Carefully remove the storage box from the packaging.
- Inspect the box for any visible damage before use.

2. Loading the Storage Box

- Open the storage box by lifting the lid.
- Place up to 15 bushings into the designated slots within the box.
- Ensure each bushing fits securely in its slot to prevent movement during storage.

3. Closing the Storage Box

- After loading, close the lid securely.
- Ensure that the lid is fully closed to protect the contents.

4. Storing the Storage Box

- Store the box in a cool, dry place away from moisture.
- Avoid stacking heavy items on top of the storage box to prevent damage.

Disposal Instructions

- Dispose of the storage box in accordance with local regulations regarding plastic waste.
- If the product is damaged beyond repair, ensure it is disposed of properly to minimize environmental impact.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact information provided on the product packaging or official website.

By following these guidelines, you can ensure the safe and effective use of your Redding Bushing Storage Box (15). Thank you for prioritizing safety!
