# Safety Instruction Guide for FLUORESCENT TARGET SPOTS BIRCHWOOD CASEY 1.5" TARGET SPOTS 160 COUNT

## Introduction

Thank you for choosing the FLUORESCENT TARGET SPOTS BIRCHWOOD CASEY 1.5" TARGET SPOTS. These selfadhesive, fluorescent orange target spots are designed for high visibility and are ideal for sighting in rifles. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the target spots are used in a safe environment, away from children and pets.
- Inspect the product for any damage before use. Do not use if the product is damaged.
- Follow all local laws and regulations regarding the use of target shooting and firearms.
- Use target spots only as intended. Misuse can lead to accidents or injuries.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Keep the target spots out of reach of children to prevent accidental ingestion or misuse.
- Ensure that the target spots are applied to a stable surface to avoid any risk of detachment during use.
- Avoid using the target spots in wet or damp conditions, as this may reduce their adhesive properties.
- Do not place the target spots in direct sunlight for extended periods, as this can affect their visibility and integrity.
- If you experience any allergic reactions or skin irritation from the adhesive, discontinue use immediately and seek medical advice.

## Instructions for Installation and Usage

### 1. Preparation:

- Choose a clean, dry surface for applying the target spots.
- Ensure the area is welllit for optimal visibility.

### 2. Application:

- Peel the target spot from its backing carefully.
- Firmly press the target spot onto the desired location on the target surface.
- Ensure that there are no air bubbles trapped beneath the spot for optimal adhesion.

### 3. Usage:

- Once applied, use the target spots as reference points for sighting in your rifle.
- Maintain a safe distance from the target area when firing.

### 4. PostUsage:

- After use, check the target spots for any signs of damage or wear.
- Remove the target spots carefully if they are no longer needed. Dispose of them responsibly.

## **Disposal Instructions**

- Dispose of the target spots in accordance with local waste management regulations.
- Do not incinerate the product as it may release harmful substances.
- If the product is damaged or no longer usable, seal it in a plastic bag before disposal to prevent any potential hazards.

## **Contact Information for Further Support**

For any questions or safety inquiries regarding the FLUORESCENT TARGET SPOTS BIRCHWOOD CASEY 1.5" TARGET SPOTS, please consult the manufacturer or visit their official website for more information.

Thank you for your attention to these safety guidelines. Your safety is our priority.
