

SHOOT-N-C TARGETS - BIRCHWOOD CASEY B/C SHOOT NC 1 ROUND - 432 PIECES

[Shooting Accessories](#) > [Targets & Accessories](#) > [Paper Targets](#)

These revolutionary self-adhesive targets explode in color upon impact to provide instant feedback on where your shot hits. This high visibility impact indicator is great for shooters using open sights or low powered scopes. We use them at 300 yards during practice, as smaller caliber bullet holes are sometimes hard to see even through the spotting scope. With these targets, even .22 caliber holes are sharp and easy to see. Upon bullet impact a bright yellow ring forms around the bullet hole, providing excellent visibility. Each target can be pasted over and re-used at least two or three times. All Shoot-N-C targets provide a log of shooting at a great value. Great for any type of practice or just for fun. Excellent for informal competition between friends as each shot shows up clearly.

SHOOTNC TARGETS BIRCHWOOD CASEY B/C

SHOOT NC 1 ROUND 432 PIECES Safety

Instruction Guide

Introduction

Thank you for choosing SHOOTNC TARGETS by Birchwood Casey. These selfadhesive targets are designed to enhance your shooting experience by providing immediate visual feedback upon bullet impact. This safety instruction guide aims to ensure the safe use of this product while complying with the EU General Product Safety Regulation (GPSR). Please read this guide carefully and follow all safety instructions.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Use appropriate eye and ear protection when shooting.
- Ensure a safe shooting environment, free from obstructions and bystanders.
- Always be aware of your target and what is beyond it.
- Keep targets out of reach of children and pets.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the shooting area is welllit to enhance visibility of the targets.
- Inspect targets before use to ensure they are free from damage.
- Avoid using targets in high winds, as this may affect shooting accuracy.
- Do not use targets at distances closer than recommended (300 yards for optimal visibility).
- Be cautious when pasting over used targets; ensure that the adhesive is secure to prevent accidental detachment.
- Dispose of used targets responsibly, ensuring they do not pose a hazard to others.

Instructions for Installation and Usage

1. Installation:

- Choose a clean, dry surface for target placement.
- Remove the backing from the selfadhesive target.
- Firmly press the target onto the chosen surface, ensuring it is flat and secure.

2. Usage:

- Set up the target at a distance of at least 300 yards for optimal visibility.
- Use appropriate firearms and ammunition suitable for shooting at the target.
- After shooting, inspect the target for bullet holes and ensure they are clearly visible.
- A bright yellow ring will form around each bullet hole upon impact, enhancing visibility.
- Reuse the target by pasting over it with a new target, ensuring the surface is clean.

Disposal Instructions

- Dispose of used targets in accordance with local regulations.
- Do not leave used targets in public areas or environments where they may pose a hazard.
- If the targets are damaged or no longer usable, dispose of them in a way that prevents harm to wildlife or

the environment.

Contact Information for Further Support

For any safety inquiries or additional support regarding the SHOOTNC TARGETS, please refer to the appropriate contact points provided by the manufacturer or retailer. Ensure that you have your product details ready for the best assistance.

By following these safety instructions, you can enjoy a safe and effective shooting experience with your SHOOTNC TARGETS. Always prioritize safety and be mindful of your surroundings while using this product.
