

WILSON DECAPPING BASE - L.E. WILSON DECAPPING BASE ONLY .533

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Some reloaders prefer using these handy tools instead of their reloading die and press for primer removing. Removes military crimped primers, or de-caps your cases separately for case cleaning or tumbling. See below for cartridge family. Punches are caliber specific. Use the 30 caliber punch for all cartridges 30 caliber and up.

WILSON DECAPPING BASE L.E. Safety Instruction Guide

Introduction

Thank you for choosing the WILSON DECAPPING BASE L.E. This product is designed to assist reloaders in safely and efficiently removing primers from cases. This guide provides essential safety instructions to ensure the safe use of the decapping base and to comply with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the decapping base only for its intended purpose.
- Inspect the product regularly for any signs of damage or wear.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the work area is clean, dry, and welllit.
- Wear safety goggles and protective gloves to prevent injury.
- Do not use the decapping base if you are under the influence of drugs or alcohol.
- Always follow the manufacturer's instructions for the specific caliber punch being used.
- Avoid placing your fingers near the punch while in use to prevent injury.
- Store the decapping base and punches in a safe place when not in use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials.
- Ensure that you have the correct caliber punch for your cartridge.

2. Installation

- Insert the appropriate caliber punch into the decapping base.
- Secure the punch according to the manufacturer's instructions.

3. Usage

- Place the case securely on the decapping base.
- Align the punch with the primer pocket of the case.
- Apply steady pressure to remove the primer from the case.
- Inspect the case to ensure that the primer has been fully removed.

4. After Use

- Clean the decapping base and punches after each use to maintain performance.
- Store the product in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of used primers and any waste materials in accordance with local regulations.
- Do not dispose of the decapping base or punches in regular household waste.
- Check with local authorities for specific disposal guidelines for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the WILSON DECAPPING BASE L.E., please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience while using the WILSON DECAPPING BASE L.E. Thank you for prioritizing safety and compliance.
