# Safety Instruction Guide for Replacement Powder Reservoir

## Introduction

Thank you for choosing the Replacement Powder Reservoir from Redding. This product is designed to enhance your existing Redding Powder Measures by providing a reliable and safe solution for powder storage. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always keep the reservoir out of reach of children and pets.
- Inspect the product for any signs of damage before use.
- Do not use the reservoir if it is cracked, leaking, or otherwise damaged.
- Store the reservoir in a cool, dry place away from direct sunlight.
- Follow all local regulations regarding the storage and handling of powders.

## Specific Safety Precautions for Use

- Use the reservoir only with compatible Redding Powder Measures.
- Do not overfill the reservoir; adhere to the maximum fill line.
- Avoid inhaling powder dust; use in a wellventilated area.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, when handling powders.
- In case of accidental spillage, clean immediately and dispose of powder according to local regulations.
- Never mix different types of powders in the same reservoir.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the Redding Powder Measure is turned off and unplugged.
- Remove any existing reservoir from the powder measure.
- Align the Replacement Powder Reservoir with the opening of the powder measure.
- Secure the reservoir in place according to the manufacturer's instructions.

### 2. Usage:

- Fill the reservoir with the appropriate powder, ensuring not to exceed the maximum fill line.
- Reattach any lids or covers as necessary to prevent spillage.
- Turn on the powder measure and adjust settings as needed for your application.
- Monitor the reservoir during use to ensure there are no leaks or malfunctions.

## Disposal Instructions

- Dispose of the Replacement Powder Reservoir in accordance with local waste disposal regulations.
- If the reservoir is damaged or no longer usable, contact local waste management authorities for guidance on proper disposal methods.
- Do not dispose of powders in regular trash; refer to local guidelines for hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Replacement Powder Reservoir, please contact the manufacturer or your local distributor. Ensure you have the product details available for reference.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Replacement Powder Reservoir. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your attention to these important safety guidelines.
