BULLET PULLER COLLET FORSTER PRODUCTS, INC. SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Forster Bullet Puller Collet. This colletstyle puller is designed for the safe and efficient removal of bullets from cartridge cases. It is important to follow all safety instructions to ensure proper use and to minimize the risk of accidents.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always handle the bullet puller with care to prevent injury.
- Keep the bullet puller and its components out of reach of children and vulnerable individuals.
- Regularly inspect the bullet puller for any signs of wear or damage before each use.
- In case of any malfunction or damage, cease use immediately and seek assistance.
- Store the bullet puller in a dry and secure location when not in use.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the bullet puller.
- Ensure that the reloading press is securely mounted and stable before use.
- Do not exceed the recommended bullet diameter of .452 when using this bullet puller.
- Avoid using the bullet puller in conjunction with any other tools or equipment not specified by the manufacturer.
- Do not attempt to modify or repair the bullet puller yourself. Contact a professional for any repairs.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and disconnected from any power source.
- Select the appropriate collet for the bullet diameter you are working with (.452).
- Attach the collet securely to the bullet puller according to the manufacturer's instructions.

2. Usage:

- Place the cartridge case into the collet of the bullet puller.
- Secure the cartridge case by tightening the collet as per the instructions.
- Operate the press to pull the bullet from the cartridge case, ensuring your hands and face are kept clear of the operation area.
- Once the bullet is removed, carefully release the collet and remove the cartridge case.

Disposal Instructions

- Dispose of any damaged or unusable components of the bullet puller in accordance with local regulations.
- Do not dispose of the bullet puller in regular household waste. Contact local waste management for proper disposal methods.

Contact Information for Further Support
