Safety Instruction Guide for Trimmer Accessory Case

Introduction

Thank you for choosing the Trimmer Accessory Case by Forster Products, Inc. This durable molded plastic case is designed to securely store your case trimmer parts, including collets, pilots, neck reamers, and tools. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always use the product as intended and follow the manufacturer's instructions.
- Keep the case and its contents out of reach of children to prevent accidents and injuries.
- Inspect the case regularly for any signs of damage or wear. Do not use if damaged.
- Store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the case is closed securely when not in use to prevent tools from falling out.
- Avoid overloading the case with tools beyond its intended capacity.
- Handle the case with care to avoid dropping or impacting it against hard surfaces.
- When removing or inserting tools, do so gently to prevent injury.
- Do not use the case for purposes other than storing trimmer parts and accessories.

Instructions for Installation and Usage

1. Unpacking the Case

- Carefully remove the case from its packaging.
- Inspect the case for any visible damage or defects.

2. Organizing Tools

- Place tools in their designated spaces:
 - 4 collets
 - 4 case trimmer pilots
 - 4 neck turning pilots (or 4 additional case trimmer pilots)
 - 4 neck reamers
 - Outside neck turning tool attachment
 - Primer pocket cleaners
 - Chamfering tool
- Ensure that each tool is securely fitted in its space.

3. Using the Case

- Open the case by unfastening any latches or closures.
- Remove the required tool carefully from its designated space.
- After use, return the tool to its designated space and close the case securely.

4. Maintenance

- Clean the case with a damp cloth as needed. Avoid using harsh chemicals.
- Store the case in a safe location when not in use.

Disposal Instructions

- Dispose of the case responsibly in accordance with local waste management regulations.
- If the case is no longer usable, consider recycling it if possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of this product, please contact Forster Products, Inc. through their designated EU contact point. Ensure that you have the product details and any relevant information ready for assistance.

By following these safety instructions, you can ensure the safe and effective use of your Trimmer Accessory Case. Thank you for your attention to these guidelines.
