Safety Instruction Guide for BUSHING BUMP NECK SIZING BUSHINGS .300 DIAMETER

Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only with Forster Precision Plus Bushing Bump Dies.
- Do not attempt to use these bushings with other brands, as they may not fit correctly and could cause injury or damage.
- Keep the bushings out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the bushings for any signs of wear or damage before use. If any defects are found, do not use the product.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling and using the bushings.
- Use the bushings in a wellventilated area to avoid inhaling any dust or particles generated during use.
- Follow the manufacturer's instructions carefully to avoid potential hazards related to improper use.
- Do not exceed the recommended sizing limits for the bushings to prevent damage to your equipment or injury to yourself.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and free of obstructions.
- Gather all necessary tools and equipment before starting the installation.

2. Installation:

- Carefully insert the Forster neck sizing bushing into the Forster Precision Plus Bushing Bump Die.
- Ensure that the bushing is securely in place and properly aligned before proceeding.

3. Usage:

- Follow the specific instructions provided with your Forster Precision Plus Bushing Bump Die for operation.
- Perform sizing operations slowly and steadily to maintain control and accuracy.
- After use, clean the bushings to remove any debris or residue that may affect performance.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of bushings in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of your Forster Bushing Bump Neck Sizing Bushings, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Forster Bushing Bump Neck Sizing Bushings. Thank you for your attention to safety.
